

# TEA TIME TALK

(BY WILMA J. MARCH)

To-day this column is dedicated to a cultured woman who has become my friend. Let me tell you how we met. Last winter in Zephyrhills, Florida, I called to visit a sick neighbor and there met Mrs. Christena Walzer, a member of the Akron National Story League and a teacher of broad experience. We became friends at once discovering that we both called Ontario "home."

I know her relatives in Western Canada and in Toronto. For some years she was a most successful representative of the "Book House" Publishing Company. Then the depression came and sales were not so great and she decided to spend last winter in a sunny clime. She and her son, Donald, a lad of seventeen, started on their Southern journey in an old Ford, with much anticipation and delight, glad for the chance of "the wide open road" where cares are thrown to the winds.

## REMEMBRANCE DAY SERVICE ON SUNDAY

PUBLIC SERVICE IN THE ARMOURIES UNDER THE AUSPICES OF THE LEGION WAS LARGELY ATTENDED SUNDAY AFTERNOON

The Remembrance Day service held in the armouries here at 2 o'clock on Sunday afternoon was largely attended by residents of the village and community. About 60 returned men marched from the Legion Hall to the armouries and the Reeve and Councillors headed the parade.

"God of Our Fathers Known of Old", Rev. C. O. Pherrill read the 44th chapter of Eccl. "Blest Be The Tie That Binds" was then sung and Rev. H. S. Warren read from the 7th chapter of Revelations. The hymn "Onward Christian Soldiers" was followed by the sermon preached by Rev. J. T. Strachan of St. Andrew's Presbyterian Church, Owen Sound. The singing of the National Anthem brought the service to a close.

### Presentation

On Thursday evening last the friends and neighbors of Mr. John McCarthy and family gathered at their home on con. 10, Glenelg, to make a presentation before the family moves to Detroit. Mr. McCarthy held a successful auction sale recently disposing of his farm stock, implements, etc., and there was a record attendance. Prices were good in almost every instance and Mr. McCarthy is pretty well pleased. There were many present from long distances. The sale bills were printed by The Standard and the adv. was inserted in two issues of the paper. The success of the sale was a result of good advertising in a medium which covers a large territory and which is read in almost every house in Markdale trade ter-

ritory. At the gathering on Thursday evening Mr. P. J. Thompson read an address and Mr. Leo Norris presented a purse of money to Mr. McCarthy. In responding Mr. McCarthy voiced his appreciation in well chosen words. Mr. McCarthy and family are highly esteemed in the community and the good wishes of all will go with them to their new home in Detroit.

## HAMILTON'S

### A Retrograde Step

It was with a feeling of keen grief and disappointment that I read in the issue of "The Markdale Standard" of August 23rd, 1934, that "The Revere Hotel" has been licensed. If, as I suppose, it requires a considerable number of signatories to have a hotel licensed to sell beer, it certainly shows that in spite of all efforts on the part of Temperance Societies and individuals, the trend of the crowd is downward. We are accustomed to hear from those who wish to further the liquor business fine promises of how well things will be conducted, but "Wine is a mocker, strong drink is raging; and whosoever is deceived thereby is not wise." So says the Holy Bible. Proverbs 20: 1.

### saying, "The way to hell is paved with good intentions", and we all know that those who will have wine know no limit to their resources in procuring it. So citizens of Markdale take warning! It certainly marks retrogression for the village of Markdale and vicinity.

Why have you put a stumbling block and an occasion to fall in your brother's way, all you who are responsible for this retrograde step? Signed—One who desires the Peace and Progress of Markdale.

## KEEPS YOUNG BIRDS GROWING every minute

Pratts Poultry Regulator should be mixed with the mash feed from the time the birds are very young as long as they are in use as layers or breeders. It gives growing birds needed food minerals for proper bone, internal organ and nervous system growth. For instance, modern, rapidly growing birds need 4 times the phosphorus, twice the magnesium, 5 times the calcium and 38 times the sulphur as do mature fowls. Regulator supplies these needs and many others. 35c and 70c a package

## Kill Lice on Hens

Just Paint the Roosts with Pratts Roost Paint. You need not handle a bird. Just paint the roosts with Pratts Roost Paint a few hours before roosting time. And, whether you have 50 or 5000 birds, you can effectively delouse your entire flock.
