We are glad to report that in the last season we made another substantial

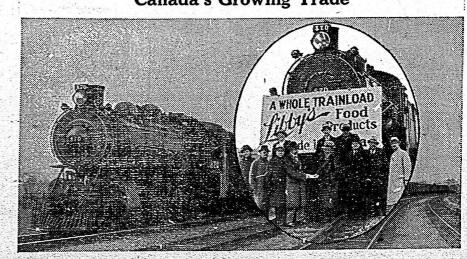

Our object in the coming year is to still make a further increase, and in order to accomplish this we must make a mutual effort. We will, on our part, try to pay the HIGHEST POSSIBLE PRICES plus best of year-round service, and you, on the producers part, to give us your full patronage the year around, enabling us to keep up the above practice.

Producer bear in mind that your local creamery, which faithfully

serves the farmers of the district the entire year, is your greatest Markdale Creamery and Produce Company
