Durham Wins North-western Group With Aid of O.H.A. Players

Durham was able to pull out with a win in two Northwestern Ontario League fixtures against the Flesher-ton-Markdale aggregation.

The second game here on Friday night was also won by the Durham team and the referee, a Markdale man, cannot be blamed for assisting them to win.

Why Durham was allowed to use ineligible players in these games is one of the questions the Executive of the Northwestern Association should be asked to answer.

High School Win 14-3

The High School hockey team added another victory to their list when they defeated Flesher-ton H.S. by a 14-3 score in an inter-school game on Friday night in Flesher-ton.

The second session began with the Markdale players breaking through the opposing defense to add five more goals to their lead while Flesher-ton scored once to make their total 2.

Turney, Flesher-ton goal keeper, was replaced by Ferris in the 3rd period after he had been struck by a high stick in the last moments of the 2nd.

Markdale—Goal: Dundas; defense, Thibaudeau, Berry; forwards, York, Macauley, Hunt; alternates, Henderson, M. Burnside, H. Burnside, R. Metcalf.

January Hospital Report

During the past year the bed capacity of the Hospital has not been sufficient to meet the housing of the patients. To remedy this and increase the number of beds the Inspector of Hospitals has granted a license to allow accommodation for three more patients.

Mrs. Ezra Fawcett of Kimberley is progressing favorably under treatment. Misses Margaret Black of Pricerville and Lyla Slumskie of Chesley are both convalescing at their respective homes after appendix operations.

The local hospital is progressing nicely and the doctor and his staff are much encouraged.

What Shall I Do With My Life?

This question is one of vital interest and importance! It is a real problem for thousands of young people of all ranks and stations at the present time.

The question implies that a choice can be made. It suggests that something can be done. Something will be done. The power to decide what will be done is possessed by each individual.

There is unfortunately such a thing as making a future of life. There is such a thing as a waste of life. There are only too many wrecks on the shores of life.

Fame and fortune may be elusive and impossible for the vast majority but life may, without exception be made a glorious success.

This achievement awaits those who, without reservations, surrender life to the Lord Jesus Christ, the past forgiven by virtue of His atoning death.

Complex indeed is life's problems, satisfactory solution is beyond human wisdom but none need despair and to those perplexed with the problem of what shall I do with my life (or with any other) the Lord Jesus Christ still extends the invitation, "Come unto me".

Card of Thanks

I desire to express my sincere thanks to Dr. Carefoot and the Hospital staff and other friends, who were so kind to me during my recent illness.

Lyla Slumskie.

William Brown

(The St. Marys Journal-Argus). A beloved figure in this district, William Brown, retired school teacher of Motherwell, passed away at his home last Thursday evening. He had been ill for about a week.

The late Mr. Brown was for forty years a school teacher. He appeared to have inherited the pedagogic strain.

His grandfather, James Brown, was the first teacher at Motherwell. Later, his son John, was the teacher, and in 1888 William Brown came along to maintain the family tradition.

Mr. Brown spent nearly all of his seventy-two years on the farm where he was born and died. As a lad he attended school under his uncle John.

Mr. Brown was a fellow student of Dr. C. F. Smith was a fellow student of Mr. Brown taught at Palmerston, Caledonia and Claremont. Then in 1888 he took a trip out West to visit a brother.

Eleven years have passed with hearts still sore. As time rolls on we miss him more. His loving smile, his welcome face. No one can fill his vacant place.

Down through the years Mr. Brown has been a faithful worker in the church. For eighteen years he taught the Bible class in the old church during Rev. Dr. Hamilton's ministry.

In his early teachings days at Claremont, Mr. Brown had as his young assistant, Miss Nettie Elizabeth Bell of the city of Toronto, who became his bride. Their only daughter, Mrs. O. J. McNaughton, is now a Torontoite, her husband being on the staff of Harbord Collegiate Institute.

The whole countryside far and wide were present at the funeral on Saturday afternoon to pay their last tribute of respect to one who has made his splendid contribution to the life of the community.

Rev. Mr. Kerr, his pastor, referred to the splendid assistance Mr. Brown as elder had been to the ministry. If there were more William Browns, young ministers would have a happier time, he said.

The pallbearers were George Parker, Thomas H. Driver, Thomas Standeven, Harry Morrison, William W. Roger, John Murray.
