Do you think the folks who got the bills threw all. They were going to keep them of 15 nations, recently took part in for a souvenir to show to their the largest pilgrimage ever made to and PWA all added together. But

nature and he banked on that very trait to help him in his stunt. One little boy tried a slot machin and was lucky and got a 25c Canadian bill. He didn't want it or know its value, so he sold it to another child for a penny. Sonny saw it all but didn't have any money with him. No money at the fair? No-non left. He just had a pass to the grounds, the grandstand, two books of passes to the midway and 35cts. most instructive things on the mi :way, spert his money on one hotdog and the rest for a really nic Indian beaded holder for his Boy Scout neck kerchief. I heard one man say, he believed people go to fairs to eat. I have been in large crowds but never one like the Gas parilla crowd. I hung from a fifth story window of a department store to see the parade. The streets be

On the midway were the little

midgets, some of whom were with the Royal American Shows in Chicago at the Century of Progress. One little man had played in movies with Lon Chaney. Yes and there was Al was just 10 cylinder, costing \$20,-000. Equipped with a police siren ed. One train headed for Miami which aided greatly in opening trafsmoke screen which blocked pursuit. A tack-trap was used to puncture tires, a \$400 police radio was used to shadow the movements of the law. Bullet-proof glass 11/4 inches thick is used in the windows There was a machine gun in the back, with port-holes for shooting. Secret compartments for hiding gun and shells were hidden in the back also. The body was made of 14' bullet-proof wire mesh. There was a two-way death mirror and the bot tom of the machine was loaded with 750 pounds of lead to keep it from turning over when going around corners at 75 miles per hour. Gangsters stop at nothing when they

The grand stand amusements were exceptionally good. One breathone could hardly believe possible The car was driven at high speed stopping quickly to prove the reliability of the brakes. Then obstacles were placed in its pathway a long sort of bridge for one wheel to go over at fifty miles per. Then both wheels tried it and the car jumped into the air, landing on the clay with ease and no damage to the car. The Col. drove furiously from one side of the road to the other till the on-lookers thought he couldn't possibly miss the fence. The Budweiser exhibit had eight of the most beautiful horses on the wagon. The announcer stated that each one at least weighed a ton. Callie Mae, the bones at all. She could do the most marvellous athletic stunts which I

start on their trail of crime.

The monkey town had very clever little fellows and one of them was just nine weeks old. He was too wise. He would sneak around behind the older ones and steal their to its objective-bigger and better lunch and when they would chase than ever. The outcome of the goodhim, he would climb up on the train-There were every kind of attrac-
