For the **BEST VACATION YOU EVER HAD**

GOING VACATIONING soon? Start out in a new Master Chevrolet and assure the success of your holiday plans! You travel smartly in this aristocrat of low-priced cars. You travel dependably, economically, care-free. And best of all, you travel in Canada's most modern low-priced automobile—the only car in its class with the safe new Turret Top bodies by Fisher . . . with Knee-Action front wheels . . . with Cable-Controlled Brakes, Blue Flame Engine and Fisher no-draft Ventilation! Your nearest dealer can make immediate delivery of your new car . . . call in and see him today. At the same time, look over the new Standard Chevrolet, the lowest-priced fully equipped car on the market. Easy GMAC terms.

THE TURRET TOP . . . the newest, safest automobile body construction known. The roof of the car is one solid, seamless sheet of steel—extending down to steel sides and a steel floor. A Fisher Body advantage, offered only on the Master Chevrolet in its price class.

KNEE-ACTION . . . owners and engineers both agree, you must have Knee-Action front wheels for the ultimate in riding ease! Only the Master Chevrolet in the low-price field gives Knee-Action plus balanced weight.

BLUE-FLAME ENGINE . . . Chevrolet's latest development of the famous valve-in-head six-cylinder engine. Proved economy and dependability—along with power and performance!

CABLE-CONTROLLED BRAKES . . . Another exclusive Chevrolet feature—for smooth, equalized, positive braking under all conditions.

FISHER VENTILATION . . . the proved, built-in No-Draft system pioneered by Chevrolet. Actually cools the car interior in hot weather.
