by Dunn & Levack, Toronto

Monday's supply of cattle was liberal and although the trade was slow, prices held up very well with the exception of cows and heavy steers which were inclined to be easier. Export buyers of shipments to Great Britain were active and took care of a large number of cattle. Also there was considerable improvement in the order buying for American packers. Choice heavy steers sold at from 6.00 to 6.50; fair to good from 5.00 to 5.75. Choice handy weight butcher cattle were in fair demand at from 4.75 to 5.25; fair to good from 4.25 to 4.75; common and medium 3.50 to 4.00. Baby heaves held steady at from 6.00 to 7.00; others lower according to quality. Best heavy cows brought from 3.25 to 3.50; choice kosher cows from 4.00 to 4.50; fair to good butchers from 2.75 to 3.25; common and medium 2.25 to 2.75; canners and cutters 1.75 to 2.25. Milkers and springers were slow of sale. The bull trade is easier, the bulk of the sales ranging from 3.25 to 3.50.

In the small meats the lamb trade has been active and higher, choice feed lot lambs selling at 9.20 on Monday and 9.25 on Tuesday. Good to choice Ontario lambs sold at from 8.75 to 9.00. Choice light butcher sheep brought from 5.00 to 6.00. With a good demand calves advanced to a top of 9.00; fair to good from 7.50 to 8.50; common and medium 5.00 to 7.00.

Following last week's sharp advance in hog prices the market has reacted this week, Monday's sales being from 15 to 25c. lower and on Tuesday the market closed weak at from 8.50 to 8.65 for truck deliveries.
