## Presentation to Willard Menarey in Euphrasia

A number of friends and neighbors gathered at the home of Mr. Edward Graham on Friday night to spend a few hours with Willard Menarey before his departure to Toronto. The following address was read by Eli Merrifield and Norman Wilson presented Mr. Menarey with a purse.

Dear Willard,—We, a few of your old friends, neighbors and school mates, have gathered together tonight to spend a few more social hours with you before your departure for a new field of activity.

During the time we have been associated with you we have always found you honest and upright and willing to lend a hand with whatever was being undertaken in the community.

Although you are going to a new place of residence, you will, we hope, think of us often and remember the spirit that dominates the neighborhood. We wish your memories of us to be good, that is, as real pals and friends and also that our parting greetings may always be treasured in your heart as the real expression of our friendship for you.

We would have you remember that we still consider you one of the community and will be pleased to welcome you at any time.

We would ask you to accept this purse as a tangible expression of our friendship for you and with our best wishes for every success in your new venture.

Signed on behalf of the community: Eli Merrifield, Norman Wilson.

Willard made a very fitting reply and thanked every one for their kindness. All joined in singing, "For He's a jolly good fellow". Lunch was then served and the remainder of the evening was spent in dancing and games.

## Live Stock Market

by Dunn & Levack, Toronto

On Monday there was over 4500 cattle on sale, which was the heaviest run for some time. The market opened up very slow, as buyers were inclined to secure their requirements at lower prices. Very little business was done until after the noon hour and sales were made at from 15 to 25c. lower, compared to the advanced prices at the close of last week. Reports from American markets were lower, which will have the effect of a very confined outlet for export shipments this week.

Choice heavy steers suffered the most, very few bringing over 6.00, the bulk of the sales ranging from 5.25 to 5.75, with those of medium to good quality from 4.50 to 5.25. Choice butcher cattle ranged from 4.75 to 5.00; fair to good from 4.25 to 4.75; common and medium 3.75 to 4.25. There was a limited demand for baby heaves, only a few of the best selling at from 6.50 to 7.00; others lower according to the quality. Best light stockers brought from 3.50 to 4.00, while feeders ranged from 4.25 to 4.50. Choice butcher cows held steady at from 3.25 to 3.75; fair to good from 2.75 to 3.25; common and medium 2.25 to 2.75; canners and cutters 1.75 to 2.25. The bull trade was slow, choice bulls selling from 3.25 to 3.50; bolognas 3.00 to 3.25.

The lamb market held active and strong, choice Alberta feed lot lambs selling readily at 9.25; others at slightly lower prices according to quality. Choice butcher sheep held active at from 5.00 to 6.00. The calf market was higher, export buyers being active in filling their requirements at higher prices. Choice calves sold at from 9.00 to 9.50; fair to good from 8.00 to 9.00; common and medium 6.00 to 8.00.

Although buyers were bidding lower prices for hogs, Monday's sales were made at from 8.50 to 8.75 for truck deliveries. Tuesday's market was very slow but sales were made on a steady basis.
