A NEW DRY GOODS STORE IN MARKDALE

In a few days we will open for business with a New Stock of Staple and Fancy Dry Goods, Ladies' Hosiery and Undies, Curtains and Curtain Materials and other lines. As fast as renovations are completed, we will place in stock goods only of the best quality, fresh from the mills. Nothing newer can be bought.

It is our intention to keep abreast of the times, offering the public only those articles that are the mode.

We will sell for cash only, thereby enabling us to give the customers better prices than if doing a credit business.

We will occupy the East half of the Mercer Block, recently vacated by The Markdale Bargain Store, and will be very pleased to have all our old and new acquaintances call and see us.

Cheerful and Willing Service, we assure you, is our motto.

See next week's paper for further particulars.
