HOLLAND CENTRE

A successful garden party was held under the auspices of the United Church on Wednesday evening. The events included a ball game between Moggie and Holland Centre teams, the outcome being the discomfort of the home team by a wide margin. A refreshment booth was operated on the Church lawn by a committee led by Mr. R. Harper, while also on the lawn a fish pond was made to yield its denizens under the gentle persuasion of the Junior League led by Isobel Buchanan. The arduous efforts of the ladies to serve a satisfying and appreciative supper was rewarded by a large crowd of partakers. A concert programme rendered later in the evening with the Rev. C. C. Wellerman presiding included items excellently contributed by the following: Chorus by Junior League; readings by Misses B. Curry, Audrey Richards, Edna Lyons and Mr. Clifford Brown; instrumentals by the Berkeley orchestra; songs by Miss Betty Jackson, Mr. Wes. Kirk; duet by Rev. C. C. and Miss Grace Wellerman. C. and Miss Grace Wellerman, Mrs. Jos. and Miss Isobel McMullen drove to arrange that the two teachers of the party take the summer course at the Agricultural College. Prior to entering Mount Forest car trouble developed. While awaiting the return of the driver with a garage man two of the ladies sitting in the car noticed the roof of a summer kitchen on fire. The garage attendant had the very efficient village voluntary fire-brigade out in a few minutes with the fire-reel, the ladies meanwhile arousing the family within to the danger. Fortunately a small bucket brigade supplied the driver of the Holland car with enough water to extinguish the fire before serious damage was done or the fire brigade arrived.
