More Invitations Wanted

The Neighborhood Workers Association, 22 Wellesley Street, Toronto, are worried. Already they have over 500 applications from troubled parents who desire their children to get a brief holiday in the country, but so far only 200 invitations have been received from hostesses who are willing to accommodate one, or perhaps two little ones in their home for two weeks.

With the invitation should be enclosed a letter from the local clergyman or some other well-known person in the district. F. N. Stapleford, 22 Wellesley Street, Toronto, is in charge of his project. Write him.
