"ZYZZLE"

Just suppose you wanted to find the word zyzzle in the dictionary. Would you start at the first page, leaf through the entire book and come finally to the last word, on the last page? That, you say, would be an insane waste of time.

Now, suppose you need accessories for the house. Suppose you need soap, or floor wax, or a pail, or a broom. Our local stores are featuring real bargains in reasonable household needs, as well as everyday needs and provisions for the table. Yet you waste time and effort, if you walk from store to store... wander from counter to counter... looking for what you want at the price you want to pay.

Instead, you may sit comfortably at home and learn where and when to make the best buys. That's all printed for you in the advertisements of this paper. You have only to read them and heed them to save time, save tiresome shopping, and save money.
