"Today", said Daddy, "I'm going to Winnipeg, Regina, Calgary, Halifax, Saint John, and New York, but I'll be back in time to put you to bed tonight." "Oh-h", replied sonny, nonplussed for the moment — then, remembering his own Long Distance talk with Granny, 300 miles away—"I know—you're going by telephone!" Which is just what Daddy intends. He's a modern business man and has found Long Distance a speedy, dependable economical business builder—the modern version of "Seven-League Boots", in fact.
