Sutherland Clan Held Happy Re-Union

A large number of the descendants of the late John and Christina Sutherland assembled at Harrison Park, Owen Sound, on Friday afternoon, Aug. 21st, to hold the annual re-union. This highly esteemed couple came from Inverness, Scotland, about the middle of the eighteenth century and settled in Owen Sound district, later locating near Walters Falls in Holland township, where the majority of their relatives still reside.

The re-union was a happy event

although threatening skies reduced the attendance considerably. Sports were indulged in by the younger members, after which a bountiful supper, served on a long table in the community hall, was much enjoyed. Every person present was delighted to have Mr. John Sutherland of Owen Sound, formerly of Markdale, the oldest member present, open the program with an address in his usual genial manner. Several others spoke briefly, among them being Mr. George Sutherland of Sault Ste. Marie, he having come the farthest to the event. Other enjoyable numbers were: readings by Misses Marie Sutherland, Thelma Howey and Mrs. Melvin Howey; a piano solo, "Grieg's Nocturne", by Miss Mary Henry of the Toronto Conservatory, community singing led by Mr. H. L. Menary, and a solo by Christina Howey. This winsome little maiden has the unique distinction of being the fifth consecutive generation with "Christina" as the Christian name.

Members who were unable to be present included Mrs. M. Ramage of Massie and Mrs. Kenneth Sutherland of Strathavon, the latter being in rather delicate health.

The thanks of the gathering were extended to Mr. and Mrs. James Sutherland, who contributed greatly to the success of the afternoon.

BARRHEAD W. I.

The Barrhead Women's Institute meeting was held at the home of Mrs. Earl Smart and six new members were added to the roll. The members responded to the roll call by telling the name they liked best for a girl. The young girls had charge of the program which was as follows: Community singing; a paper, "The Doctor's Distress", by Catherine Davidson; a reading, "Grandma's Place", by Mary Whitehead; recitation by Muriel Smart, "When I was just so tall"; a paper, "Watch your step because it reveals your character", by Anna Wilson; Dorothy Whitehead gave a demonstration on how to make tea roses; a contest by Mary Bowles was won by Mrs. Allen White; Lella Varty gave a reading, "The Bible for Justices"; a contest put on by Elma Wilson was won by Mrs. Varty. Lunch was served at the close by the lunch committee and a social half hour was enjoyed by all.
