 Temple Hill, Aug. 26th, 1936.
 Dear Pearl.—We, the members of Temple Hill Church, have gathered to spend a social evening with you before your departure for your new field of work.
 During the years that you have been teaching you have always been close enough that we were fortunate in having you as a valued member of our several organizations. Your interest in the Sunday School, the choir and the Ladies' Aid and your unstinted giving of yourself at all times has always commanded our highest esteem and appreciation. We hope that in your new community you will find means of serving faithfully, as you have here, so we may truly feel that our loss is another's gain.
 These gifts are but a slight indication of the warmth and regard in which we hold you. May it warm your heart to know that by your loyalty and service you have won our abiding appreciation and friendship. Wishing you every success in the year to come.
 Signed on behalf of Temple Hill Congregation: Wilma Cook, Marian Gordon, Lillian Hodgkinson, Fern Gardner.
