

Here and There

Famous officers of the Canadian Pacific Railway and Sir John A. Macdonald, Prime Minister of Canada, arrived at Revelstoke recently and held a series of historic meetings. Among them were Donald A. Smith, George Stephen, James J. Hill, Van Horne and Shaughnessy, names associated for the past half century with the construction of Canada's first transcontinental railway. The party actually comprised a group of film players portraying the historic characters in the tense board-room sequence of "The Great Barrier", Gaumont British picture depicting the strenuous railway construction days fifty years ago.

Says Gene Sarazen, one time world's champion golfer, writing of the Banff Springs Hotel course at the famous resort in the Rockies:—"That course of Banff is everything you said. Miss Helen Hicks and I played it against two guests at the hotel and we were beaten. With a huge gallery it may seem funny to hear we simply couldn't keep our minds on the game—the scenery was simply too much."

The first 1937 world cruise to set out from New York will be the Canadian Pacific liner Empress of Britain which will sail January 9 for a voyage of 125 days, covering 30,000 miles and visiting 29 ports in 22 different countries. Among these countries are Palestine, Egypt, India, Ceylon, Malay Archipelago, the Philippines, China, Japan, Hawaii and back to New York via California, the Panama Canal and Havana.

Canada's first complete streamlined air-conditioned train, built for the Canadian Pacific Railway, now in operation with four units in different parts of the Dominion, has been placed on inspection at a number of points across the country and has aroused high praise and enthusiasm on the part of the hundreds of thousands of Canadians who have seen it. In Montreal alone 60,000 spectators went through it in the four days it was on inspection at the Windsor station and the same interest was displayed everywhere else. These units will be in operation between Toronto and Detroit, Montreal and Quebec, and Edmonton and Calgary.

Prime Minister Mackenzie King and other delegates to the League of Nations Conference at Geneva sailed from Quebec in September in the Canadian Pacific flagship Empress of Britain. Accompanying the Premier was Hon. Raoul Dandurand, Government leader in the Senate and Hon. Norman Rogers, Minister of Labor.

Captain George Gould, new skipper of the Empress of Russia, made his first trip as master of the vessel early in September. It is his first command of a Pacific Empress, though he has served the fleet in all official capacities from fourth officer to staff-captain during the past 23 years.

Last of three motor parties visiting Canada this year, 14 British automobilists arrived recently at Quebec on the Empress of Britain. The motorcade under the organizer Graham Lyons, drove from Quebec to Montreal and will visit Ottawa, Toronto, London, Detroit, Cleveland, Washington and New York.

—It is he who aspires highly who highly achieves.

—No great characters are formed without suffering and self-denial.

PROTON STATION

McGONIGLE — McNALTY

A quiet wedding was solemnized at Caledon East United Church manse at 2 p.m. on Tuesday, Sept. 15th, by Rev. Binnington, when Adelaide Mary, second daughter of Mr. and Mrs. R. J. McNalty, Proton, was united in marriage to Robert James McGonigle, second son of Mr. and Mrs. Robert McGonigle, Derry County, Ireland. The bride looked charming in a white crepe tunic gown with white accessories. Miss Helen Whyte, cousin of the bride, was bridesmaid and wore a medium blue crepe dress with blue and white accessories. Mr. Ira B. Whyte of Priceville acted as groomsmen. A reception was held later at the home of Mr. and Mrs. Walter Black, Boothville. The groom's gifts to the bridesmaid and groomsmen were fountain pens. After a short honeymoon the happy young couple will return to Caledon East. The bride's Proton friends wish her and her husband every happiness.

Proton Station anniversary services on September 20th were favored with beautiful weather and good congregations. Rev. McPherson, Badjeros, in the morning, and Rev. Geo. R. Service, Flesherton, preached wonderful sermons, appropriate to present day needs. The Proton choir, assisted by Miss Sylvia Acheson of Inistioige, provided excellent music for both services.

The annual sessional conference of the Woman's Missionary Society of this section of the Grey Presbytery is being held in Proton Station United Church on October 13th, with afternoon and evening sessions. Splendid speakers are always present and the meetings are very instructive and helpful. We trust that every woman in the countryside will plan to be present. It is well worth while. Supper at the nominal fee of 25 cents will be served to all who care to remain for it.

We are sorry to report Mrs. McNulty ill and under the doctor's care. Her daughter, Mrs. Fell, is nursing her. Mr. John Carson has been ordered to bed for a time by his doctor. Miss Gertrude Irish, who has been ill for some time, has gone to the city for further medical treatment. Mrs. Gonsley is recovering slowly.

Tale of Woe

Karl: "So your baby is sick. What seems to be the matter with it?"
Jack: "Almost everything, I guess, except sleeping sickness."
