EUGENIA

(Held over from last week.)
Congratulations to Miss Selena MacDonald, who was married on Wednesday of last week to Mr. Frank Taylor of Flesherton. We wish the young couple many happy years of wedded life.

Mrs. Ross Lehman of Toronto spent the week-end with her father, Mr. Jake Williams.

Mrs. Jas. Fawcett has gone to Toronto to visit with her daughter, Mrs. Harry Mander, and other relatives.

Mr. and Mrs. Herb. Legard and two children of Pickering visited on Sunday with Mr. and Mrs. Bert Magee and family.

We are sorry to report Mrs. Robt. Smith ill at present with heart and nerve trouble and under the care of Dr. Lindsay. Miss Marjorie Benson of Maxwell is assisting in household duties.

Miss Donald Sloan was home over the week-end from her school near Ayton.

Mrs. Chas. Park and little daughter, Gwennie, have gone to spend a while with Mrs. Park's parents, Mr. and Mrs. A. Carruthers, during the absence of her husband who has received employment at St. Catharines.

The Y.P.U. did not hold their regular weekly meeting last week but instead attended the rally of the Y. P.U. of the South-Grey Presbytery in the United Church at Priceville, where Rev. Mr. Wright is the pastor. Everyone enjoyed a pleasant time. The meeting was opened by the President, Miss B. Potts, of McIntyre. Mr. Royden Hunter, Secretary for South-Grey, called the roll. Rev. Mr. Gordon of Dundalk gave a talk on "Duties of Officers of the Y.P.U." Rev. Mr. Service of Flesherton gave a fine address emphasizing the work of the youth to-day in building a world of peace, love, etc. Each one must walk in a Christ-like way in order to carry out God's great work that lies before us. A solo by a Hanover lady with piano accompaniment was enjoyed, as also was a duet by the Misses Irene Dinsmore and Marjorie Park of Eugenia with Miss Alice Armstrong of Flesherton at the piano. Mr. Wes. Wright of Hanover gave a humorous talk on "Recreation," after which all retired to the basement where he conducted some games and told a ghost story. A sumptuous lunch of sandwiches, cakes and coffee was served by the Priceville people, after which all departed for their homes.

We extend our sympathy to Mr. Thos. Gilliland and to Mrs. Thos. Betts and family in their recent sad bereavement by the death of their brother, the late Mr. Will Gilliland, which occurred in the West one day the past week.

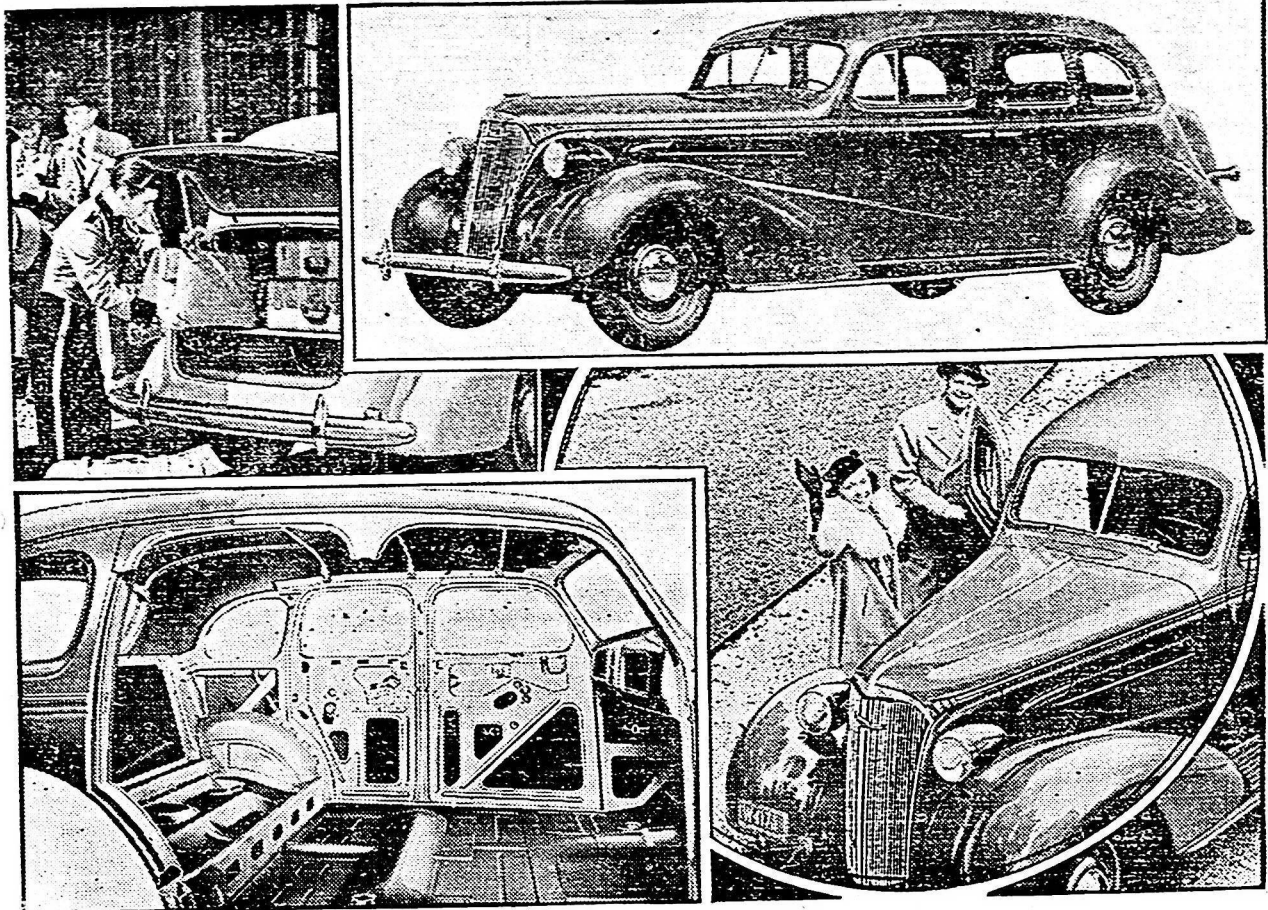

Mr. Jos. Williams, jr., motored Mr. and Mrs. Peter Sherwood of Ceylon to Bolton on Monday to attend the funeral of a relative.

Mr. Peter Munshaw visited his son, Laurie, and family at Alliston recently.

Messrs. Munshaw and Proctor were both successful in securing a deer while on their annual hunt up north.

Mrs. Wm. Magee and Mrs. John Campbell, who have been on the sick list, are on the road to recovery.

SMARTLY STYLED UNISTEEL BODIES WITH NEW POWER PLANT

Chevrolet announces two cars for 1937—the Master and the Master de luxe. They are of identical wheelbase and both powered by a new valve-in-head motor of 85 horsepower. All-silent all-steel Turret-Top bodies by Fisher of unisteel construction are a feature of both. A cutaway view of the unisteel body is shown lower left. The flashing speedline, which extends from the hood through the front door panel, is shown lower right. The generous capacity of luggage trunks, a feature of all sedan models, is shown upper left. Upper right, the Master de luxe Sedan.

The concert given under the auspices of the L.O.L. in their hall here on Thursday evening of last week was quite successful. The program consisted of a play, "The Family Disturbance," given by Badjeros Young People. It was quite humorous and well delivered. Lunch was served at the close of the program, after which dancing was indulged in.

At the November meeting of the Women's Association it was decided to hold the December meeting a week earlier than usual. This will be the annual meeting and will be held on Thursday afternoon, Dec. 10. The roll call will be answered by an exchange of Christmas gifts.

A quilting was held at the home of Mrs. Wall. Graham on Tuesday of last week when a "Dresden Plate" quilt was quilted by the village unit of the Women's Association. A very enjoyable afternoon was spent and lunch was served at the close.

At the Y.P.U. meeting on Wednesday evening Miss A. Turner presided. Scripture passages were read by Miss Jean Tudor. The president took the worship period and the literary convenor, Miss Evelyn Campbell, took the discussion topic, "The Value of Drama". For recreation Rev. A. Bushell conducted an impromptu program, each one contributing an item after which the meeting closed as usual.

A party was held in the Orange hall here on Friday evening when the many friends of the recent bride and groom, Mr. and Mrs. Frank Taylor of Flesherton, met in their honour and presented them with an address and presentation. The address was read by Mrs. A. F. Pedlar and the presentation of an occasional chair, ivory and green enamelware, blankets and other miscellaneous articles were made on behalf of the community by Messrs. Albert Williams and Percy Magee. Mr. Taylor, speaking for himself and his wife, gave a neat reply, thanking their many friends for the lovely gifts. The evening was spent in music and dancing, lunch being served at midnight.

Mrs. Fenwick and Miss Muriel were home from Palermo for a week. Miss Watson, who also was in Palermo with them, spent the past week in Owen Sound and attended the funeral of her uncle, Mr. Chester Dunham, who was a drowning victim of the boat, Hibou. We extend our sympathy to Miss Watson, who also has two cousins, Messrs. Dan and Ernie Rouse, who were also on the Hibou and are now recuperating in the Owen Sound hospital after a miraculous escape from the icy waters of the Georgian Bay.

Miss Bertha Ottewell and friend, Mr. Coulter, of Proton visited on Sunday with Mr. and Mrs. Jim Ottewell, 8th Line.

Mr. and Mrs. E. Partridge and family and Mr. Ken. Partridge and mother of Rock Mills spent Sunday with Mr. and Mrs. Jos. Williams and Joey.

Miss Jean Graham and nephew,

Master Frank Graham, have gone to spend the winter months in Flesherton, where Frank will attend High School.
