

WODEHOUSE

The twenty-fourth was a beautiful day and many holidayers enjoyed it in various ways. Few fish were caught by all reports.

Miss Parker, teacher, spent the holiday and week-end with her parents at Flesherston.

Mr. and Mrs. Errol Howey and Miss Edna Vamplew of Hamilton, Mr. Glen Jenkins of Kimberley and Mr. and Mrs. Russell Vamplew and little son of Buffalo were holiday visitors with Mr. and Mrs. Jack Elford. Miss Edna remained for a longer visit with her sister.

Miss Elsie Wiley of Markdale is holidaying a couple of weeks at her parental home.

Miss Evelyn Wiley of Toronto is a visitor with her parents, Mr. and Mrs. Jas. Wiley, Sr.

Mr. Art Lee of Dashwood spent Sunday with friends here.

Mr. and Mrs. Ross Gordon and daughter, Blanche, of Temple Hill were visitors with their daughter, Mrs. Gordon Wiley and Mr. Wilcox.

Mr. and Mrs. Gordon Wiley and daughters spent the 24th with Mr. and Mrs. James Wiley of Griersville.

The Womens Institute held their May meeting at the home of Mrs. Aaron Thompson.

Mr. Elgin Wiley of Griersville renewed acquaintances here over the week-end, the guest of Mr. Ted. Fawcett.

The copious showers are bringing rapid growth and the country looks very promising for another crop in spite of the unusual weather the past months.

Miss Ina Wiley of Markdale was home over the week-end.

Miss Orlie Kirkpatrick was a visitor with friends for a few days.

CHERRY GROVE

Mr. and Mrs. David Symes of Barrhead spent a day last week with Mr. and Mrs. Harry Cherry.

Mr. Murdy Burnett has returned home from Irish Lake after helping Mr. Jas. Watson with the seeding.

Messrs. Thos. Woods and Cecil Williamson are erecting a house near Meaford.

Glad to report Mrs. Jack Bradey able to be up after ten weeks in bed with a broken leg.

Mr. and Mrs. W. W. Alcox and daughters of Markdale visited recently with Mr. and Mrs. Ran. Bradey.

Miss Margaret Harvey accompanied Mr. and Mrs. Cliff. Risk and family of Sligo to Thornbury the first of the week and visited with Mr. and Mrs. Peter Elford.

Mr. and Mrs. Geo. Swanton and Miss Minnie visited recently with Mr. and Mrs. W. A. Dickie.

SHOP IN MARKDALE.

Quality of Cream Reflects on Grade of Butter

Under new Government regulations covering the grading of butter, a higher standard of quality is required for First Grade.

Since High Quality Butter can only be made from High Quality Cream, we are asking your kind co-operation, so that we may be able to keep up the standard of our butter, which will also mean dollars and cents to the producer.

To assist you in producing High Quality Cream, we list below some of the common defects, together with the causes and methods of prevention.

SOUR OR ACID FLAVOUR—

Cream kept too long at too high a temperature; fresh cream being added to colder cream without first being cooled; can or pail being used to catch the cream from separator not being washed between each separating. Do not use old rusty pails or utensils, rusty separator bowls, galvanized pails, sap buckets or pails with open seams. Wash separator after each using. Cool cream until cold as soon as separated and keep cold until delivery to creamery. Never add warm cream to cold cream.

YEASTY CREAM—

Has a tendency to foam and smells yeasty. Usually associated with very high acid or sour cream and develops rapidly when held at high temperatures. Caused by unsanitary condition. Remedy: Same as for acid or sour flavour.

CHEESY CREAM—

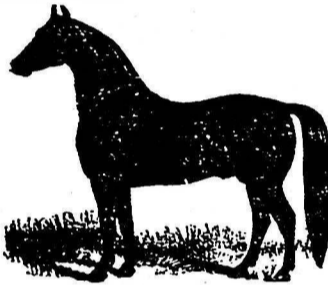

Cause and remedy similar to yeasty cream.

Another list of Helpful Hints will be published in the next issue. Kindly clip and keep the above suggestions for your guidance.

CREAMERY IS OPEN SATURDAY NIGHTS

Markdale Creamery & Produce Co.
