On Tuesday afternoon, June 29th, the Sunday School and Congregation of the United Church, and the teachers and pupils of the local school and 5th Line school held a joint picnic in the park here. There were over a hundred in attendance and a good time was spent in games, races, etc. Supper was served at the tables in the park.

After the supper hour, Rev. Mr. Bushell was asked to be seated while an address was read by Mrs. C. Martin and the presentation of a floor lamp, an album and a sum of money was made by Mr. Ross Smith and Miss Margie Park, on behalf of the Y.P.U. As most of the choir members are associated with the Y. P. Society, the remaining members also donated toward the gift. The address is as follows:

Dear Mr. Bushell,—

It is with mingled feelings of pleasure and regret that we are assembled here in your honour this evening. Pleasure because we are enjoying a few moments together before we say farewell to you, and regret because we are sorry of your departure from our midst. What is our loss is Epsom's gain. Your services in our church will not be forgotten. You organized our Young People's Union, in which we have found many pleasant hours in God's work. With your up-lifting efforts you have taught the Society what it means to be a true Christian and you have laid the fundamental idea on which youth may build a new world, a world of peace and love and faithfulness,—such a world as God would have us build. Looking back into the past and viewing the dim future, may we endeavour to carry out to its highest, the work that you have started. We cannot let you depart without showing in some tangible manner our appreciation of your services, so we take this opportunity to present you with this floor lamp, this album and this money, hoping that the light from this lamp will remind you of the light of God which you have lit in our Society, which we hope will grow brighter through the coming years, and every time you read the autographs in this album please remember the families associated with the Eugenia Y.P.U. and the money we know will come in useful at some time. Please accept these tokens of remembrance, accompanied by our very best wishes for many years of happiness and prosperity in your new abode. May God's blessings be upon you—

"For in the darkness as in daylight,  
On the water as on land,  
God's eye is looking on us,  
And beneath us is His hand.  
Death will find us soon or later  
On the deck or in the cot,  
And we cannot meet Him better  
Than in working our our lot."  
Again extending our very best wishes, we remain—

Signed on behalf of the Y.P.U.  
Miss I. Dinsmore  
Mrs. C. Martin

Mr. Bushell, who was quite taken by surprise, replied thanking all for their kindness and hoping that he would meet all again in the future and extending to all his best wishes. Then all sang "For he's a jolly good fellow." Miss Muriel Carruthers, on behalf of the choir, wrote a short address to Mr. Bushell for his splendid help toward them.
