## Better Than the Average

While the Ontario production figures for July show a decrease in the amount of butter made compared with the same month a year ago, our creamery shows a considerable increase for the same month.

As a result we are able to pay the Highest Possible Market Price and we are again asking for your full patronage, so that we may continue to pay the Top Market Price.

### LIVE FOWL

The market on live fatted hens is firm. Our prices this week are:

Over 6 lbs. ....per lb. 12c  
Over 5 lbs. ....per lb. 11c  
Over 4 lbs. ....per lb. 10c

### Local and Other Items

Hugh McDonald of Gleneig purchased a new threshing machine. Markdale defeated Dundalk at baseball by a score of 12 to 11.

We notice the names of George Bowes, Herb. Brown and R. J. Brown of this place among the successful candidates for third class teachers at the recent non-professional examinations; also E. K. Richardson of Flesherton; also F. Buggin of this place for second class.

Samuel Quinton of the 5th line of Euphrasia brought the first load of grain to market on Monday, the 15th, and sold it to W. J. McFarland for 50 cents per bushel. The grain was a good sample, both in color and weight.

Jeffrey Artley of Walters Falls has invented a windmill which he claims is the best on the market. He has taken out a patent and is going to exhibit at the coming Industrial. Mr. Artley is a practical farmer and a man of industry and integrity and we would be pleased to see him successful in the windmill business.

Mr. A. Turner left on Wednesday for a trip to Winnipeg.

### Glascott

The crops in this district are mostly all harvested and will show an average yield. The sample of both oats and wheat is somewhat injured by shrinkage on account of the continued drought.

Two binders have been doing fine work, one on each side of the lake, on the farms of Messrs. Boyle and Townsend. The labor of the farmer is materially lessened by the use of such implements.

Rev. W. H. W. Boyle of Paris visited his father's people this week. He had just returned from a trip over the Rockies and to the Pacific Coast.

Mr. John Ritchie, head teacher of Teaswater school, is visiting his father-in-law, Mr. F. Boyle.

### Local and General

Mr. Eric Watson left on Wednesday for Winnipeg.

Mr. W. Turner returned a week ago from his holiday trip east.

Mr. G. R. Glassford returned last week from his visit to Ireland, having been absent nearly a year.

Dr. L. G. Campbell, dentist, left Wednesday for Winnipeg and intends visiting the coast before returning. He will supply a sub. to take his work during his absence if he can get one; if not his patrons are requested to grant him a month's leave.

Markdale junior lacrosse team played a friendly game with Flesherton juniors on Thursday last resulting in a victory for the latter by 5 to 0.

Markdale and Shelburne lacrosse teams battled at Dundalk on Tuesday for the championship of the Grey District. A special train was run from Markdale and about 150 supporters of the team were in attendance. After a strenuous battle Shelburne were victors by a score of 4 to 3.

### Cherry Grove

The fall wheat harvest is over and an abundant crop is reported. School re-opened on Monday with Miss Read as teacher.

Mr. Thos. Hill and Miss Myers of the neighborhood were married last week.

### Benkeley

Mitchell Bros. factory has ceased to run at night and as a result a number of hands have been laid off.

Rev. Mr. Jones of Tara took the service in St. Matthias' church on Sunday afternoon.

### Harkaway

berry picking.

Snell Bros. have completed the stone work of a house for R. S. McLaughlin.

On Tuesday morning, the 10th, lightning struck the house of Mr. Walters shattering the corner of the building and stunning Mr. and Mrs. Walters. The flash also set it on fire but this was promptly quenched by a pail of water. At the same time R. S. McLaughlin's sheep and hog pen was struck and burned to the ground together with a number of hens. His barn, some thirty feet distant, was saved by the heavy rain and assistance of about a dozen neighbors.

**TELEPHONE**

When something goes wrong with the plumbing or the wiring; when someone is hurt or takes suddenly ill; at the outbreak of fire; when unexpected guests arrive and extra refreshments are needed, and for a hundred and one other emergencies, large or small, there's nothing like the telephone. It is always ready to serve you and its cost is a pittance.
