And Hepburn said:

"NO-MR. FARMER"
"YES-SIR JAMES"

What has happened to the promises Hepburn made to the farmers of Ontario before he was elected?

Hepburn Promised the Farmers:

A special session of the legislature to deal with farm relief problems immediately after the election.

What Hepburn Did:

Nothing! He said: "The farmers must stand on their own feet."

Hepburn Promised the Farmers:

Help in improving livestock, grants to help agriculture.

What Hepburn Did:

He wiped out the Farm Loan Board—stopped bonuses for pure bred sires and grants to junior judging competitions—cut off \$300,000 in grants made by the previous government to aid the farmer.

Hepburn Promised the Farmers:

Wider markets and better marketing facilities.

What Hepburn Did:

He closed the marketing agencies at Montreal, Winnipeg and in the Maritimes—closed Ontario House in London, England, which had created markets thereby increasing Ontario farmers' annual income by \$10,000,000.

Hepburn Promised the Farmers:

A string of cold storage warehouses across Ontario, for the benefit of the farmer.

What Hepburn Did:

Nothing!

Hepburn Promised the Farmers:

Reduced taxation.

What Hepburn Did:

He collected in taxation 80% more than was collected in the last year of the Conservative Government, of which the farmers paid their share.

What is Sauce for the Goose

... Is Sauce for the Gander

BUT—while Mr. Hepburn was saying to the farmer "you must stand on your own feet" and was cutting off \$300,000 in agricultural bonuses, he was passing on a bonus to Sir James Dunn of the Algoma Steel Corporation of almost a like amount of the taxpayers' money.

Agriculture and industry are both vitally necessary to the prosperity and welfare of the Canadian people. The farmer says, however, that "what is sauce for the goose is sauce for the gander—why take away our bonus to bonus Sir James Dunn?"
