LIVE STOCK REPORT

Although supplies of cattle were not quite so heavy, the market opened very slow and very little business was done until after the noon hour on Monday and at the close of the day over 4000 cattle were left unsold. Stockers and feeders made up the major part of the run and these sold at much lower prices, compared to the early fall season. There were no export shipments to either the United States or Great Britain.

A few lots of choice weighty steers made from 5.00 to 9.00, but the bulk of the sales were made at from 5.50 to 7.00. In the butcher section, a few fancy steers and heifers sold at from 5.75 to 6.25, with those of fair to good quality from 4.50 to 5.50; common to medium 3.50 to 4.00; very common 2.75 to 3.00. Baby heaves sold at much lower prices, only a few fancy selling above 9.00, with the bulk of the sales at from 5.00 to 7.00. Stockers and feeders of selected quality made from 4.25 to 4.75 for the light kind and those of heavier weights from 5.00 to 5.75, with a few short keep feeders at 6.00. Fat cows declined fully a quarter, selling from 3.75 to 4.00, with a few fancy heifers cows at 4.50; fair to good cows sold at from 2.75 to 3.25; canners and cutters 2.00 to 2.65. Choice milk cows and springers made from \$40.00 to \$50.00 each. The bull trade was slow, choice from 3.75 to 4.00; bolognas from 3.00 to 3.50.

The lamb market opened slow and choice lambs sold at from 7.50 to 7.75, with the bucks discounted \$1.00 per cwt. Choice light sheep brought from 4.00 to 4.50, others at lower prices accordingly. The calf trade held active and strong, choice veal from 9.50 to 10.00, fair to good 8.00 to 9.00; common to medium 5.50 to 7.00; grass calves 4.25.

The hog market continued very slow on account of much lower bids from local buyers and reports to the effect that outside packers were buying hogs at much lower prices, had a depressing effect on the local trade. However, salesmen were successful in selling Monday's delivery at from 8.15 to 8.25 off trucks, but the prospects look lower for the balance of the week.

have met their master in ZEV—made by the makers of Buckley's Mixture. Stockmen, poultry breeders, etc., who have used ZEV say it is positively "sure fire" relief for all respiratory diseases in horses, cattle, sheep, pigs, poultry and dogs. It is amazing how quickly it gets results in the most stubborn cases. In fact, we guarantee ZEV to do in a day or two what it took old-fashioned remedies a month to do. Pet size 50¢, Stock size \$1.00. Get ZEV at THE LUCAS DRUG STORE
