LOCAL PUCK CHASERS MAINTAIN THEIR LEAD IN CENTRE GREY HOCKEY LEAGUE

The score at the evening last. It was an important end of three periods was 8 - 0 for the game in the series and there was a good crowd present to witness the struggle. About seventy-five supporters accompanied the boys to the southern village and all were well two more counters had she cared to satisfied with the result.

The only goal scored in the game was secured in the first frame when Norman Hartley drew the Dundalk defence to one side and then slipped the puck to his running mate, How- Cutting, D. Woods, V. Markdale hockey fans got full value for the fee they paid to see the game between the locals and the Shelburne squad. The enthusiastic supporters of both teams were kept on their toes from the drop of the hat until the final bell in the 10minute overtime period.

The initial spasm was not very old when Saunders beat Dundas for ped a rebound in and took the third Shelburne's first counter and Fisher repeated to make it look like a sure win for the Dufferin lads. Norman Hartley reduced the lead of the visitors to one when he scored on a nice solo play, but McCauley put his team up two again when he flipped the disc into the net behind Dundas. Noble and Hartley served time for breaking the rules.

The second period was fast and furious but the goalies had horseshoes and no counters were notched. York and Woods rested in the penalty box for tripping.

In the third frame York took a perfect pass from Freeman and the score was Shelburne 3, Markdale 2. A few minutes later York slipped the and N. Hartley; subs., M. They beat the Shelburne squad on several occasions but were unable to get the disc past Rayburn, who played a whale of a game for the visitors.

Alex. McIntyre of Owen Sound was a competent and impartial referee. Shellmrne has a splendid team and know the game well but the locals have it over them for speed and back checking.
