TELEPHONE TALKS IN THE WATSON FAMILY

"MY DAD can talk farther than YOURS!"

When Donnie Watson's father greeted him over the telephone from 500 miles away, Donnie was impressed no end. He couldn't resist boasting a bit to his next-door neighbour and playmate.

Whenever you're called out of town, do as Bob Watson does — telephone home. It brings peace of mind at a trifling cost.

Reductions in telephone rates—local and long distance—in 1935, '36 and '37 have effected savings to telephone users in Ontario and Quebec of nearly one million dollars yearly.
