Pallbearers were boyhood friends and neighbors: Wilbert McClean, Stan. McKibbon, Lloyd Gordon, Melville Patton, Walter King and Carman Murray. Internent was made in Fairmount cem ery. Born at Rocklyn in March, 1914,

Elmer had always made his hom there and was well known and highly respected. Graduating from Meaford High School he attended Norm al and later taught at Lily Oak. Then he went to Spanish and latterly to Blind River, where death oc-curred. He was ill only a short time and news of his death came as a deep shock to his family and riends. He was a clever and industrious student, excelled in ath etics, and his death in the prime of life is regretted by all who knew him. Besides his sorrowing father he is survived by one brother, Kenneth, at home. His mother predeeased him some twelve years ago.

WHY CHEUROLET HAS THE MODERN MODE

BECAUSE the Valve in-Head type engine is the most efficient known, it's the kind you find in record-breaking racing cars, speed boats, airplanes . ... and on the new Cherrolet!

Valve-in-Head efficiency means that more power is developed from gasoline. Or you can put it this way . . . Chevrolet gives owners up to 27 miles per gallon of gas-without sacrificing the full 85-H.P. performance needed for acceleration, hill-climbing and smooth cruising speed.

Add to this the fact that Chevrolet's exclusive Valve-
