

# THE MARKDALE STANDARD

"DEVOTED TO THE BEST INTERESTS OF MARKDALE AND SURROUNDING COUNTRY"

VOL. 58; NO. 44

MARKDALE, ONTARIO, THURSDAY, JUNE 30th, 1938

\$1.50 A YEAR IN ADVANCE

## Markdale Won From Arnott On Monday Evening

In a Holland Softball League fixture played here on Monday evening the local squad defeated the Arnott aggregation by a score of 12 to 3. While the score might indicate a one-sided contest such was not the case as the visitors put up a real argument but couldn't get the runners across the home plate.

Elwood Fitzsimmons, pitching for Markdale, struck out six batters in seven innings while Kirk retired three Markdale men by the same method.

Arnott failed to get to first base in the first two innings; had a man on first when they were retired in the third; had the bases full in the 4th; scored a run and had two on in the 5th; got two runs and had a man at 2nd in the 6th, and had the bases loaded in the 7th.

Dundas, E. and N. Fitzsimmons scored runs and V. Irwin was on first for Markdale when the first innings ended; Hunt and Dundas scored and E. Fitzsimmons was left at first in the fourth; White made the circuit in the fifth and Thibaudau was left at third; N. Fitzsimmons and Noble crossed the plate in the sixth.

Markdale players were: L. Thibaudau lb.; G. Dundas s.s.; E. Fitzsimmons p.; N. Fitzsimmons c.; A. Noble 3b.; V. Irwin 2b.; K. White l.f.; H. Irwin c.f.; D. Hunt r.f.

At Flesherton on Thursday evening the home team lost to Markdale by a score of 15 to 3.

## Local Public School Pupils Receive Congratulations

Letters are being received from various parts of the province complimenting the editors of "The Markdaleite", the public school paper or magazine, on the fine paper produced. This 32-page paper, edited by the senior pupils of the school, is probably one of the first issued by any village school in Ontario.

The pupils of the Commercial Class in the High School did the typing of the articles into the stencils. The departments are artistically illustrated while the attractive cover design was done by Shirley Rapp. The editorial staff is as follows: Editor-in-chief, Shirley Rapp; Editor, William Young; School News, Shirley Borinsky; Art, Jean Scott; Correspondence, Keith Gemmel; Hamour, Ronald Metcalf; Manual Arts, Clarence McCullough; Agriculture, Bruce Graham; C.N.E. Report, Bruce Armstrong; Household Science, Doris Wood; Music, Gladys Cutting; Poetry, Jean Sims; Sports, Elizabeth Stewart and Stanley Wood; Advisors, The Public School staff.

All items of interest in connection with the school during the past school year are well covered by the various editors.

## Mr. and Mrs. Byron Hill Showered By Friends

A large number of neighbours and friends gathered at the home of Mr. and Mrs. Byron Hill on Tuesday evening, June 21st, and presented them with a miscellaneous shower of useful and beautiful gifts. A pleasant evening was spent in dancing and playing cards and at an appropriate moment the many pretty gifts were brought into the room in a nicely decorated wagon drawn by Misses Mary Jean and Sandra Thibaudau and driven by Master Kenneth Smart. Mr. Arthur Norris then read the following address:

Dear Margaret and Byron: The "age old" custom of matrimony has been repeated and repeated ever since the days way back when Adam was a lad and was told that it is not good for man to live alone. Since you have fulfilled this very ancient tradition and rite, it is meet that we celebrate with you a few gay hours in dancing and feasting in honour of this very auspicious occasion.

We are about to beat the tum-tums louder with more noise and rapture and make the more merrier as we know you are to settle and take up the reins as one of the life-long group. So we extend our warmest congratulations; our very good wishes for a long, happy and prosperous wedded life.

In sincerity, we ask you to accept these gifts as tokens of our esteem and good will.

Signed on behalf of your friends and neighbours: Rae Thibaudau, Blanche Kinney.

The gifts were then opened by Byron and the accompanying verses were read by Margaret. Both Mr. and Mrs. Hill thanked their friends for the lovely gifts which they appreciated. Everybody joined in singing, "For they are jolly good fellows," after which lunch was served and the dancing resumed until early morning.

## Promotions in the Markdale High School

The Markdale High School staff have released the following results of the Form promotions for First, Second and Commercial Forms; also Departmental examinations granted individual students of the school.

### Promoted from First to Second Form:

Clifford Armstrong, Phyllis Bowler, Dorothy Boyd, Elizabeth Buchanan, Leonard Carefoot, Leonard Cooper, Betty Down, Alice Freeman, Robert Gilpin, Helen Hamilton, Marie Hamilton, James Hamilton, Floyd Jackson, Kathleen Kenniff, Florence Moore, Eleanor Morrison, Marjory Price, McGee Radcliffe, Wilda Walters, Ethel Yates.

### Promoted from Second to Third Form:

Isabel Buchanan, Anona Elder, Mildred Harper, Allen Hunt, Doris McAfee, John McGee, Herbert Metcalf, Michael Sullivan.

### Passed in Commercial Class:

Elsie Caswell, Florence Down, Anna Haslam, Eva McCadden, Orla McInnis, Isabel Mills, William Noble.

### Departmental Examination Results:

Clifford Armstrong, Geography, Art, British History, Arithmetic, Agriculture.

William Arrowsmith, Geography, Art, British History, Arithmetic, Agriculture.

Phyllis Bowler, Geography, Art, British History, Arithmetic, Agriculture.

Dorothy Boyd, Geography, Art, British History, Arithmetic, Agriculture.

Elizabeth Buchanan, Geography, Art, British History, Arithmetic, Agriculture.

Isabel Buchanan, Geography, Art, British History, Arithmetic, Agriculture.

Doreen Burnside, Agriculture.

Leonard Carefoot, Geography, Art, British History, Arithmetic, Agriculture.

Vivian Cooper, Geography, Art, British History, Arithmetic, Agriculture.

Elizabeth Down, Geography, Art, British History, Arithmetic, Agriculture.

Anona Elder, Geography, British History, Arithmetic, Agriculture.

Orval Fraser, Art.

Alice Freeman, Geography, Art, British History, Arithmetic, Agriculture.

Robert Gilpin, Geography, Art, British History, Arithmetic, Agriculture.

Helen Hamilton, Geography, Art, Agriculture.

Marie Hamilton, Art, Arithmetic, Agriculture.

James Hamilton, Geography, British History, Arithmetic, Agriculture.

Mildred Harper, English Grammar, Geography, British History, Agriculture.

Allen Hunt, Art, Arithmetic, Agriculture.

Floyd Jackson, Geography, British History, Arithmetic, Agriculture.

## John P. Pickell and Muriel E. Harold Married

Muriel Edith Harold and John Perdue Pickell were wed at the home of the bride's parents, Mr. and Mrs. John Harold, Paris, Ont., on Saturday June 25th. The groom is a son of Mr. and Mrs. W. G. Pickell, formerly of Markdale. Rev. J. C. Nicholson officiated, assisted by Rev. L. R. Ballantyne. The house was banked with ferns, pink and white peonies and blue delphinium. Mrs. E. Adeney played the wedding music. The bride, given in marriage by her father, wore white embroidered marquisette moulded on princess lines, a heart-shaped white net hat and carried a colonial bouquet of sweetheart roses, blue cornflowers and lilies of the valley. Jean Martin of Paris was bridesmaid, wearing a princess gown of peach marquisette, heart shaped hat and turquoise accessories. She carried a colonial bouquet of Johanna Hill roses, forget-me-nots and lilies of the valley. Kenneth Hatch, brother-in-law of the groom, was best man. A reception was held, the bride's mother wearing sapphire blue lace with large black hat and corsage of orchids and roses. After their wedding trip to Lake Placid by motor, the bride travelling in a modish ensemble of parison and white, the couple will reside in Paris, Ont.

## Rev. H. S. and Mrs. Warren Presented With Gifts

A large number of the members and adherents of Annesley United Church, together with a goodly number from Vandeleur United Church, met in the school room of Annesley Church on Monday evening, June 27th, for the purpose of saying farewell to Rev. and Mrs. Warren, who on Wednesday of this week departed to take up residence in the North Toronto area.

A short programme had been arranged by the Women's Association. Mrs. Luckock of Toronto, a sister of Mrs. W. E. Harris, rendered a lovely solo; Miss M. McLoughry gave an interesting reading; and Mr. G. A. Beaton gave a much enjoyed Scotch solo and then had those present join in a hearty community sing-song. Mrs. W. E. Harris acted as accompanist for the musical numbers.

Jimmie Perkins and Donnie Kidd, on behalf of the Beginners' class of the Sunday School, then presented to Mrs. Warren a lovely clock. Mrs. Warren, in a very charming manner, responded very fittingly expressing the enjoyment she had experienced in joining in the work of the Sunday School.

Mrs. W. N. Burnside, on behalf of the Woman's Association and the congregation of the Church, then read a presentation address to Rev. and Mrs. Warren, which read as follows:

Dear Mr. and Mrs. Warren, We, the congregation of Annesley United Church, beg in some small way to recognize our loss and express our regret that you are leaving us after eight years of a very pleasant and, we feel, fruitful association. Both you and Mrs. Warren have at all times rendered to us very willing and generous service and we feel that the spirit of co-operation given in all activities, social or otherwise, has strengthened us in no small degree.

We realize in our Church life that these severances must come but we are very thankful and grateful that we have had the privilege and pleasure of having had you with us for eight years which have passed all too soon.

It is our most earnest prayer that you and Mrs. Warren will enjoy many years of health, happiness and contentment in the knowledge that your work in this vineyard of our Lord has been one that will bear fruit a thousand fold.

Therefore as a slight token of our appreciation and as a remembrance of Markdale Annesley Church may we present to you these gifts.

Annesley Congregation. Mrs. H. Bowler and Mrs. Dillon then presented an end table; Mrs. James Hill, Mrs. C. R. McHugh and Mrs. W. Burnett presented an occasional chair and an envelope containing a sum of money.

Mr. George Buchanan, on behalf of Vandeleur United Church, presented a purse containing a sum of money to Rev. and Mrs. Warren. Mr. Warren, on behalf of Mrs. Warren and himself, expressed his deepest thanks for the gifts which had been presented. He voiced the regrets of Mrs. Warren and himself at the severance of his connection with the Annesley and Vandeleur congregations and expressed the hope that the congregations of both Churches would render to his successor, Rev. S. E. Annis, their fullest and heartiest co-operation.

Light refreshments were then served by the Woman's Association of Annesley Church.

## Gordon Beaton, President Elect of the Rotary Club, Gives Classification Talk

Choosing as his subject, "Funeral Service", Gordon Beaton presented a very effective outline of the scope of a funeral director's activities.

Introducing his speech by reference to the origin of the word embalming, the speaker explained that it came from the Egyptian equivalent "embalsam". Ancient Egyptians anointed the bodies of their dead with "balsams", then wrapped them in bandages to exclude the air. The result was that the oils on penetrating the body preserved it in a state of mummification. Three reasons are advanced for this treatment. It may be that the Egyptians lacked fuel for cremation, or it may be that they believed the soul on its return might wish to inhabit the body. Finally it is suggested that the frequent overflowing of the Nile and the consequent flooding of adjacent burying grounds required this protection for the dead. However modern embalming gets nothing but its name from the ancients, its process being altogether different.

Not only is it the oldest vocation, but it is the least understood. Probably the latter fact is due to most peoples reluctance to talk on what they consider their inevitably gloom end. Embalming is a humane operation aimed at the preservation of the dead human body against decomposition, and leaving it in a sanitary condition. It goes even beyond this and aims at cosmetic effect. By this means the family of the deceased is enabled to hold the body for a considerable time awaiting the arrival of other members who may have a considerable distance to travel in order to attend the funeral. It also brings the boon of pleasant memories of the last view of the deceased.

Embalming today has reached the highest peak ever known in the art of preserving the body. This progress is due in most part to the efforts of funeral directors and chemists in the U.S.A. The advances made by our neighbours to the south are immediately adopted by Canadian directors, to such effect that, in Markdale, one who had been deceased for several months, when disinterred for removal to another cemetery, was found to be splendidly preserved.

Due to the fact that weather conditions on this continent are more variable than possibly anywhere else, the art of embalming has been developed beyond that of any other country in the world. Now Europe is becoming aware of this fact and it is significant that the services of an American-trained embalmer were employed for the late King George V. The demand for better embalming has spread to such an extent that all the countries of Europe, and even Australia and New Zealand are exhibiting keen interest in methods employed on this continent. The service is so wide-spread that telegraphic communication is maintained with all important parts of the world, and a Canadian director can direct a service in many distant parts of the globe.

Due to the constant danger of infection a funeral director risks his life every time he embalms a body, so the utmost precaution is necessary in this sphere of his activities.

Turning to the actual directing of funerals, the director co-operates with the clergy. Here the speaker offered some suggestions as to the correct procedure to be followed by bereaved family. No announcement of the funeral service should be made without consulting the clergy. This should be done by the family and not left to the director. If the service is to be held in a church the minister should be so informed, and the rules of procedure of that church should also be observed. The family should also arrange for pallbearers.

Funeral directors in this province are responsible to the Ontario Board of Examiners, who are in turn responsible to the Minister of Health. It is the duty of a director to keep funeral goods in his show-room that are within the price range of every client, the same plainly marked and what the service includes.

The preparation room of a funeral establishment is to the embalmer what an operating room is to a surgeon. There every facility is at hand for the performance of satisfactory work, but the work may be done in the home if so required. This preparation room is inspected annually by the Department of Health.

The Funeral Parlors and preparation room are open at all times for public inspection—except when the latter is occupied, when only the family or its representative may be allowed in.

Before concluding, the speaker asked, on behalf of the men in his profession, for thought of the principals and ideals of their work in the light of actual facts. He stated

## W.C.T.U. Convention Held in Markdale Last Week

The forty-fourth annual convention of Grey and Dufferin Women's Christian Temperance Union was held in Annesley United Church in Markdale on Tuesday of last week. The president, Mrs. A. Clement of Meaford, who was re-elected for another year, was in the chair. Mrs. P. A. Brown issued an invitation to the temperance rally picnic at Harrison Park, Owen Sound, on Wednesday. Mrs. Brown expressed the feeling that the temperance forces are very much alive at present.

In her presidential address, Mrs. Clements said: "There are signs that the sobering-up time has come. Newspapers are taking notice of the traffic toll. Milk bars are coming to the fore. A cause is won by exerting a steady even pressure." The president urged the temperance workers to stand firm and not be discouraged. Stressing the education work, Mrs. Clements continued: "We are careful to mark the public highways with safety signs, such as bad hills, detours, soft shoulders, etc. But we do not put signs on the highway of life for the children."

Some inspiring messages were given in the departmental reports. Reporting for Evangelistic work, Miss Doyle said: "Pray as though everything depended on God. Work as though everything depended on you."

The medal contest was a very pleasant feature of the annual and the awards were made as follows: first, Pat. Thompson, Markdale; (medal); second, Jean Sims, Markdale; third, Allan Colquette, Owen Sound; fourth, Leola Graham, Markdale; fifth, E. Haswell, Owen Sound.

Rev. H. S. Warren of Markdale gave a short address, encouraging the W.C.T.U. in their work and giving the temperance workers credit for the recent victory here.

Mr. W. J. Messenger, principal of the Markdale Public School, spoke, expressing his interest in scientific temperance teaching in the school and prizes for the Markdale Public School poster and essay contests were awarded. Prizes were also presented to the winners of the temperance contest in Sunday Schools.

Rev. D. Bruce Gordon of Dundalk gave a temperance talk on "What Drink can do to a young person." This is a challenging subject to the young people of today in being prepared for citizenship. The speaker referred to the pressure of attractive advertising, social activities and opportunities and the indifference of many to their voting privilege. It is a duty resting upon every parent, said Mr. Gordon, deploring the tolerant attitude of some toward strong drink and advocating total abstinence.

It was announced during the meeting that Georgina Blackburn was the only national prize winner from Grey County in the annual Scientific Temperance Examinations held in the Sunday Schools. She attained 100 per cent. in her papers.

Plans were made for representation at the School for Leaders at Willard Hall, Toronto, August 9th to 12th. The next annual convention of Grey and Dufferin W.C.T.U. will be held in Owen Sound.

The following are the 1937-38 officers elected Tuesday: President, Mrs. A. Clement, Meaford; Vice President, Mrs. S. Dezell, Owen Sound; Corresponding Secretary, Mrs. S. A. Morrison, Meaford; Recording Secretary, Mrs. H. Hare, Markdale; Treasurer, Mrs. L. B. Danard, Owen Sound; "Y" Secretary, Mrs. F. J. Ritchie, Markdale; L. T. L., Mrs. Frank Katool, Owen Sound; Anti-Narcotics, Mrs. Wise, Orangeville; Citizenship, Mrs. F. J. Ritchie, Markdale; Flower Mission, Mrs. Messenger, Markdale; Sabbath Observance Law, Mrs. Brown, Meaford; Medal Contest, Mrs. Danard, Owen Sound; Publicity and Social Meetings, Mrs. H. Reid, Meaford; Peace and Arbitration, Mrs. George Pileh, Owen Sound; Press, Mrs. J. McLean, Owen Sound; Scientific Temperance, Mrs. Hare, Markdale; Temperance in Sunday Schools, Mrs. P. A. Brown, Owen Sound; Travellers' Aid, Mrs. S. Thomas, Meaford; Mothers' Meetings, Mrs. J. Poole, Owen Sound.

that the functions of a funeral director and embalmer were neither child's play nor unintelligent routine. At its best it required, not merely technical training and technical skill; not merely wide experience and the investment of a good many thousands of dollars in equipment; but above all it required those personal attributes of tact and kindly, sympathetic understanding, those personal refinements which we recognize as courtesy and manly decency. These, he claimed, were the paramount essentials of every profession that was worthy of its name.

July 1st is a Dominion holiday.

## Mrs. Robert Love Passed Away At Dundalk

Mrs. Robert Love, a former resident of this district, succumbed to a lengthy illness at her home in Dundalk shortly before noon on Thursday, June 23rd.

Born in Artemesia township, Mrs. Love's maiden name was Clara Hill. On December 23rd, 1903, she was married to Robert Love, who now survives. For some years they resided in Holland and Euphrasia townships but for the past eleven years they were residents of Dundalk.

Besides her sorrowing husband, Mrs. Love is survived by two brothers and one sister, namely: Stias Hill of Markdale, William H. Hill at Orange Valley and Mrs. Harry Piper at Ceylon.

## Breadner Re-Union

An event of interest to many in this district took place on Thursday, June 23rd, at Hockley Valley Park, near Glencross, when a number of the descendants of the Breadner family, who came to Canada in 1849, met for their Fifth Annual Re-Union. This park is situated on the Beeton-Bradford road, a few miles from Orangeville and many family Re-Unions are held there. Although for various reasons the attendance was not large, a good time was spent by those present. Relatives were present from Toronto, Churchill, Cheltenham, Brampton, Terra Cotta, Melancton, Proton, Badjeros, Rocklyn, Temple Hill, Heathcote, Chatsworth and Berkeley. After all had gathered a dainty lunch was served and then all met in the beautiful log cabin for the election of officers for the coming year. Mrs. Reuben Thomas of Churchill was secretary of the meeting. In the absence of the president, Miss Kathleen Breadner, Reg. N., of Markdale, Mrs. Ed. Breadner of Badjeros acted as president. Mr. John Sloan of Cheltenham was a very capable chairman. In his address he spoke of the good work carried on by our forefathers in building homes and clearing the land for the rising generations. He congratulated the older members of the family. Mr. Robert Breadner of Temple Hill was the oldest descendant present and received a beautiful Indian brass vase, which, along with the other prizes, was donated by the Honorary President, Mr. Samuel Breadner of Ottawa, and his family.

The youngest descendant present was little Joan McDonald, the bright little nine months old daughter of Mr. and Mrs. Howard McDonald of Melancton. She received a silver cup.

The secretary for the past two years, Miss Mary Manarey of Berkeley, was presented with a beautiful cameo brooch.

It was decided to hold the next meeting at the home of Mr. Wm. Breadner at Heathcote on the first Wednesday in July, 1939.

The officers for the year are: Hon. Pres., Mr. Samuel Breadner, Ottawa; President, Mr. Wm. Breadner, Heathcote; Sec.-Treas., Miss Mary Manarey, Berkeley.

After the election of officers there were races and the following won prizes: Needle race, Mrs. John Breadner and Mr. Wm. McDonald; Boys under 15, Jackie McDonald, Toronto; Girls 15 to 25, Ruth Breadner of Heathcote; Young men's race, Howard McDonald, Badjeros; Women's walking race, Mrs. Ed. Breadner of Badjeros; Married women's race, Mrs. Dave Sutherland, Chatsworth; Married men's race, Howard McDonald, Melancton.

About 5.30, after bidding each other farewell, all returned to their homes to await another meeting in 1939.

The joy of meeting is mingled with sadness. There are always some vacant chairs. We regret the passing of one of our number who attended the Re-Union last year, the late Mrs. Edward Graham of Beaverdale, formerly Myrtle Breadner, a daughter of Mr. and Mrs. Wesley Breadner. We extend our sincere sympathy to her husband and three little children as well as her parents, sisters and brothers.

We also extend our sympathy to Mr. and Mrs. Harry Breadner in the loss of their little son since our last meeting.

## Card of Thanks

I wish to extend my sincere thanks to all those who called on me while in the Hospital: for the beautiful flowers, treats and enquiries. I also appreciated very much the care and kindness shown me by Dr. Carefoot and his staff.

Mrs. A. E. Barry.

The next Union Fellowship Meeting will be held on July 6th at the home of Mr. and Mrs. R. Langford.

## Markdale Girls Won Opener In Tri-County League

Markdale's representatives in the Tri-County Softball League won their first game, played here on Friday evening last, when Shelburne lassies were noosed out in the last half of the final frame. The girls from the Dufferin village led all the way through and with two out in the last innings were two up. The locals scored and had another runner on first when Helen Carefoot came to bat. She connected and landed the ball into deep centre beyond all players, making a home run and chasing another player ahead of her. This made the score 8 - 7 and the game was over.

Markdale players were: Jane-Noble c., Helen Carefoot p., Betty Carefoot 1st, Devona Cutting 2nd, Phyllis Bowler 3rd, Betty Down ss, Maris Thompson lf, Vivian Cooper cf, Revena Green rf.

## Seventeen Pupils Write On High School Entrance

Pupils from the Markdale Public School and surrounding Schools commenced writing the High School Entrance Examination on Monday morning. This year there were only 17 candidates left to write at this centre on account of the other pupils in the Senior Fourth Class having been given their H. S. Entrance standing by the Entrance Board on their year's work. To secure this the pupils had to have 66 per cent. or more on their term work and final test and the report of the inspector on the school and pupils concerned had to be satisfactory. According to the rules in South Grey at least one pupil from each school must write the examination.

The following ten pupils from our local Public School were given their Entrance Standing and so did not need to write the examinations: Shirley Rapp, Shirley Borinsky, William Young, Jean Scott, Bruce Graham, Doris Wood, Jean Sims, Clarence McCullough, Bruce Armstrong and Keith Gemmel.

Friday, July 1st, being Dominion Day, will be observed as a holiday throughout Canada.

## The Churches

### Anglican Church Notes

Rev. C. O. Pheerill, B.A., B.D.

Christ Church, Markdale  
10 a.m.—Sunday School.  
11 a.m.—Morning Service.  
7 p.m.—Evening Service.
