TRAVERSTON

The month of June has ended too soon; however the crops have kept pace with its lengthy days.

Haying has begun with a few but the majority will wait a week.

Esther Peart, Charlie Atkinson and Raymond Edwards, pupils of Miss Horn of S.S. No. 5, are writing on the Entrance examination in Durham this week. Miss Horn leaves for her home at Bervie on Wednesday and purposes attending Summer School at London, beginning on the Monday following.

Mr. Albert McNally sold a neat little team at the close of the week, to be used at the tourist camps.

News has just come to us of the death on Saturday evening of Mr. Duncan McNab, a pioneer son of the 4th con. He was noted in his younger days for being an expert axeman and a hewer of square timber. In later years few could excel him in the trapping of fur animals.

Mr. and Mrs. Alfred Staples of New York are spending a week at the McClocklin homestead and from there calling on the many kindred. On Sunday the Twamley and Campbell families of Bentinck spent the day at the old home and celebrated the 42nd wedding anniversary of Mr. and Mrs. Chas. McClocklin.

We've just learned that Miss Sarah McLean of Mulock has been engaged as the new teacher at Townsend Lake.

There are no flowers more attractive than the old fashioned Sweet William when massed. We have a bed 30 feet long and about 3 wide, and every color under the sun seems to be there and dazzles the eye.

The weather on Saturday lessened the number which usually attends Zion's Sunday School picnic. Nevertheless, about 3.30 a goodly crowd gathered, heard a bright program presided over by the Rev. R. G. Halbert, had a big feast, a candy treat for all the children, a hotly contested program of sports and a baseball game to finish up. One of the happiest events out despite gloomy skies. Miss May Robson of Toronto generously sent up a big consignment of toy balloons and the kiddies send back a very hearty vote of thanks.

Mr. and Mrs. Thos. Peart and two sons of Toronto, dined with Mr. and Mrs. John Peart on Sunday and had supper at Mr. and Mrs. Hugh McArthur's. On the Wednesday previous Mr. and Mrs. Peart had a pleasant visit from Mrs. Leslie Jones and son, Lawrence, of Toronto and Mr. J. Purvis of near Hanover.

Miss Gladys Firth visited kindred in Durham on Sunday evening.

The garden party held by North Glenelg Baptist congregation at Mr. Colin McArthur's on Thursday evening was a fine success. 'Twas an ideal evening and the spot a most suitable one. The Mulock young people put on the play "Mother Mine" and acted their parts most admirably. Rev. Mr. Saunders occupied the chair. Those taking part in the program beside the play were Miss Edna Porter a solo; duet by George Ashley and Carl Teeter; duet by John McLean and Kenneth McCuaig; duet by Mrs. Gibbons and Miss Lolita Mighton. Splendid musical numbers were given by the Torry orchestra and Miss Betty Laughlin of Hamilton gave an exhibition of fancy step-dancing. A very enjoyable supper was served by the ladies of the congregation before the program began.

Mr. and Mrs. Jack Taylor visited with friends at Harkaway and also spent a day in Owen Sound recently.

The ice cream social held last Monday by the Sunday School was a real success. The evening was fine and the crowd large. Baseball and races were the order for the early part of the evening. This was followed by a short program. The children of the community, who took part in the musical festival in Owen Sound, repeated their numbers very creditably. The Annesley Young People were present in a body and

Mr. Bob McFarlane gave a fine talk on "Facing two-way Canadians". A song contest was an amusing feature. During the evening Mr. and Mrs. Warren were presented with an electric floor lamp by the young folk of Annesley and a leather covered Bible by the Ebenezer people.

LIVE STOCK MARKET REPORT

by DUNN & LEVACK, TORONTO

The cattle market opened slow on Monday under a liberal supply, which consisted of practically all cattle off pasture. There was a wide range in prices, depending largely on finish and quality of the animals, besides a varied class of buyers depending largely upon their requirements.

A few top weight steers brought 7.75, with the bulk of the good to choice at from 7.25 to 7.50; fair to good from 6.50 to 7.00. In the butcher section prices were fully from a quarter to a half lower. Good to choice steers and heifers brought from 6.00 to 6.50; fair to good from 5.50 to 6.00; common to medium 4.50 to 5.25. Baby heaves were in good demand with choice from 7.50 to 8.00; those of medium quality 5.50 to 6.50. Selected stockers brought from 4.50 to 4.75 and feeders from 5.00 to 5.25. Common cows were lower in price, while the good choice cows held about steady

at from 4.50 to 4.75, with a few at slightly higher prices; fair to good from 3.75 to 4.25; common to medium 2.75 to 3.25; canners and cutters 2.25 to 2.65. The bull trade was slow excepting for a few choice export bulls, which sold at from 4.35 to 4.65; good heavy bolognas 4.00 to 4.25; light kind from 3.50 to 3.75.

Choice spring lambs held steady at 10.50, with cull lambs selling at from 7.50 to 9.00. The sheep trade was slow with choice light butcher sheep 3.00. Calves held steady with choice from 7.25 to 7.50; fair to good from 6.00 to 7.00; common to medium 5.00 to 6.00; grass calves 4.00 to 4.25.

The hog market showed considerable strength and salesmen were successful in raising the price to 11.50 for truck deliveries. The general prospect for hogs looks favorable.
