## Some High Lights on Recent Entrance Examination

Mr. Pentland, the Inspector, furnishes us with the following interesting information as to various phases of the test.

In the Inspectorate of South Grey, including the Separate Schools, of that area, there were 318 pupils prepared for the examination, and 279 obtained standing. Of those only 146 wrote and passed, the other 133 receiving their standing on the year's work. Thus about 90 per cent of those prepared passed the test.

In the rural schools of the six townships 48 received standing on their year's work, and 122 by writing, or a total of 170 passed out of 199, or 85 per cent.

In the urban centres 119 pupils were prepared and 109 passed, or almost 92 per cent. Of this number 34 wrote on the examination and 24 passed, 85 receiving their standing on their year's work.

The winner of the Dr. Jameson Gold Medal will be announced later, as some papers must be re-read before the matter is decided.

The best reader in South Grey is Elaine Hirtle, of the Durham School, taught by Mr. Geo. Noble; the best spellers are Helen Paul and Peter Lynch, of Separate School No. 5 Normanby, taught by Miss V. Lynch; Henry Bauer, of Hanover, taught by Miss Lettmeier; Howard Scales, of No. 1 Bentinck, taught by Miss Evelyn Sippell; Thelma Chislett, of No. 7 Proton, taught by Mr. Oswald Dingwall; Raymond Edwards, of No. 5 Glenelg, taught by Miss Elva Horne; Elaine Hirtle, of Durham, taught by Mr. Noble; Norman Noble, of No. 9 Glenelg, taught by Mr. Morris Matthews; Margaret Sherk, of No. 9 Bentinck, taught by Miss Irene Klages; Jean Healy, U. No. 9, Proton, taught by Miss Dorothy Bogle; Lorraine Love and Gordon Smith, both of No. 13 Proton, taught by Miss Susie MacKinnon; Nina Eagles, of U. 16-Artemesia, taught by Miss Madeline Moore, all of whom obtained full marks.

The best writer in South Grey is Dorothy Miller, of Hanover School, taught by Mr. James Magee; the best in Literature is Harold Fursman, of No. 1 Bentinck, taught by Miss Evelyn Sippell; the best in Composition is Elaine Hirtle, of the Durham school, taught by Mr. Noble; the best in Geography is Ronald Metcalf, of the Markdale school, taught by Mr. Messenger; the best historian is Florence O'Neill, of Separate School No. 7, Glenelg, taught by Miss L. Logan; the best grammarian is Florence Liesemer, of U. The youngest pupil to obtain standing on the year's work was Annie Dixon, of No. 13 Egremont, taught by Miss Kathleen Smith, and the youngest to write and pass was Jean Healey, of the Cedarville School, taught by Miss Dorothy Bogle.

## Trip to Exhibition for Kids

Hanover, Ont., July 9, 1938. Dear Boys and Girls,

Although the Excursion to Toronto on August 29th was originally intended for rural children only, yet, owing to the fact that those who are ten only, are not invited, there will be some vacant seats, and I am taking this opportunity of inviting any from Markdale and Fiesherston who are at least eleven years of age.

In this short letter I am unable to give full particulars, but the excursion will be well worth while and I shall be glad to have as many of you as can come. If you can come please give your name to Mr. Cooper, at his office, and he will forward names to me. This must be done before July 18th. First Form pupils from the High School, who sent in their names last year are also invited. The child's fare, return, will be \$1.40 and those over twelve must pay double.

Very kind regards  
Geo. E. Pentland

## Bill Hunter, Durham, Talks of Farm Loans

The guest speaker at the regular Rotary meeting on the 5th was Rotarian "Bill" Hunter of the Durham Club. Bill is the Inspector for the Commissioner of Agricultural Loans in the County of Grey and he spoke of his work in that office.

In opening the speaker informed the Club that there were approximately 700 loans in the County of Grey to the Government ranging from under \$1000.00 to about \$13000.00 with an average of about \$2500.00. This meant that the Government held mortgages in the County of about one and three quarter millions. The mortgages called for yearly payments of slightly over \$70.00 per thousand dollars and accordingly the annual income to the Government if all payments were made would be about \$129,000. There were of course many mortgages in arrears and many who are making only partial payments. As Inspector it was his duty to make collections and valuations and when a farm was taken over to repair the buildings and rent it or make a sale. He had sold 25 farms in the past year, and there were 15 on hand. The usual terms of sale are 10% deposit and the balance spread over 20 years with interest at 4%.

The speaker pointed out that in his opinion the Government was not taking as heavy losses on the sale of reposessed farms as was generally believed. He thought that there had not been any loss in 90% of the cases and a profit had been made on occasions. In many cases farms had depreciated 50% since the loan was made and in some cases the mortgage had been reduced by proceedings taken under the F.C.A. Act.

## Markdale Entrance Results

No. 5, Glenelg.

McWhinney and the late Mrs. McWhinney, of Irish Lake district passed away in Toronto General Hospital on Sunday, July 3rd, after an illness of between 2 and 3 months, suffering from a tumor on the brain. Daisy entered the hospital on April 21st and although several operations were performed in an effort to save her life all proved of no avail. Her sister, Miss Ruby, remained with her in the hospital until the last.

Daisy was 25 years of age, a bright and companionable girl and loved by all who knew her. She had spent a number of years in Toronto and was at Oakville when she became seriously ill. Her early demise is a great sorrow to her family.

She was born in Brant township and when 3 years of age moved with her parents to Irish Lake district. The funeral was held from her late residence on Wednesday, July 6, to Fiesherston cemetery. Rev. J. E. Taylor preached a comforting sermon and the hymns sung were, "What a Friend we Have in Jesus", and "Abide with Me".

Kobe, Mr. and Mrs. Earl Mayoock, Mrs. Archibald, Mr. and Mrs. Hatton and Robert, Mr. and Mrs. J. Quillinan, Mr. Albin Girod, Miss Christine Kennedy, Mr. and Mrs. Earl McBurney, Mr. and Mrs. Bert Hunt, Mr. Jim Hunt, Mr. and Mrs. Fred Eagles and family.

The flower bearers were six girl friends of the deceased, namely, Misses Ada and Nina Eagles, Madeline Moore, Alice Sullivan, Blanche and Agnes Sweeney.

The pallbearers were former school mates, Messrs. Walter and Wilmer Eagles, Patrick Black, Wm. Sullivan, J. D. Hughes, J. D. and Joe Campbell and Clarence Stafford.

Those from a distance who attended the funeral were Mr. and Mrs. Earl McBurney and son, Wilbur, of Niagara Falls; Mr. and Mrs. Albert McWhinney of Windsor; Mrs. Bert Hunt and son, George, of Toronto; Mr. and Mrs. George Roland and son, William, and Mr. and Mrs. Will Mayoock of Hanover; Mr. and Mrs. Earl Mayoock and son, Wayne, of Leith; Mrs. Archibald of Meaford; Mr. A.
