Fighting Game Fish Across Canada

HOLIDAY opportunities in the thousands of lakes, rivers and streams of Canada afford fishing opportunities which are unexcelled anywhere in the world. The wide stretches of the Dominion are liberally supplied with forest and lake-land, abounding with game fish and animals, where lovers of the great out-of-doors can find a sports district to suit their every whim.

Fishing conditions are so varied in Canada and the species of game fish so numerous that a small booklet is required merely to list all the fish and regulations of the different sections. Deep-sea fishing is found on both ocean coasts,
