Memorial Window For Banff Church

Inspired by the beauty of the Canadian Rockies, and the sweet tones of the bells of St. George Church, Banff, Alberta, Miss Jessie Van Brunt of Brooklyn, New York, has presented the church with a memorial window which she designed and made herself. The window embodies the idea of the Church bells as angels or God's messengers sending inspiring invitations to worship. It was placed above the main entrance and is in memory of the late Canon Henry Montgomery, M.A., rector of this church from 1921-24, previously rector of St. Peter's Church, Kingsclear, N.B., and Canon of Christ Church, Tully Montgomery is the present rector.

Mrs. Merton Pendleton brought home her share of prizes and also Mr. Russell Boyce did well for his swine.

Word was received by the Bradey friends on Friday night of the death in Toronto of Ray Bradey, oldest son of Mr. Chris Bradey. Ray hadn't been very well for a number of years. During the all-day rain on Thursday, Sept. 22nd, a very novel incident occurred at the home of Mr. Walter Wilson, 12th Line. The heavy rain washed away some eight feet of the curbing of the well. The kitten and the pup were playing after the rain and kitty thought she would run under the pump house to hide on the pup but to her surprise she dropped down, down the 75-foot well. Mrs. Wilson heard her meows and knew that kitty wasn't drowned and must be perched on something down in the well. She sent for Mr. Wilson, who was at a neighbour's threshing. When he came home he put a long pole down. Kitty climbed the pole a certain distance but through exhaustion fell back again. At last Mr. Wilson let down a basket by a rope and what do you think? Pussy got into the basket and Mr. Wilson hauled her up. There she was, trembling and cold and not at all spry. After a warm bath and a good sleep beside the stove, Pussy was restored to her liveliness again.
