DUNN & LEVACK, TORONTO

About 3500 cattle arrived for Monday's market and early sales were fully steady with last week, but the market closed weaker and sales averaged from 10 to 15c lower, excepting on reactor cattle, which sold at strong prices, as buyers are very keen in purchasing this class of cattle, as they do not have to take the usual risk of loss through disease, such as they do on the regular market cattle. Hogs held steady, while lambs were lower.

The cow trade was easier, only a few top choice fat cows bringing 5.00, other good and choice cows brought from 4.50 to 4.75; fair to good from 3.75 to 4.40; common to medium 3.00 to 3.50; canners and cutters 2.75 to 3.00. Bristow - Hutchinson

A quiet wedding was solemnized on Wednesday, June 28th, 1939, at 8 a.m. at the home of Mr. and Mrs. A. T. Hutchinson, Strongfield, Sask., when their eldest daughter, Lulu May, became the bride of Donald Alfred Bristow, son of Mrs. I. Bristow and the late Mr. Geo. Bristow. Rev. Robertson performed the ceremony. The room was gaily decorated with pink and white streamers and white bells. The bride was gowned in a floor length dress of white French net over taffeta and wore a corsage of pink roses and lily of the valley. She was attended by her sister, Mildred, who was gowned in a floor length dress of pink pastel lace over silk. Her corsage was pink roses. The groom was attended by Allan Marshall. The bride's mother wore navy blue flowered marquisette and the groom's mother chose delf blue crepe.

After the ceremony a wedding breakfast was served; the table was covered with a lace cloth and centred with a three-tier wedding cake topped by a miniature bride and groom. The gift to the bridesmaid was a gold locket and to the best man a Giotto.

The couple left on a wedding trip to Northern Parts of Saskatchewan and Alberta, the bride travelling in a blue tailored suit with matching accessories. Upon returning they will reside in the village of Strongfield.

Lost Young Son By Death In Durham

Mr. and Mrs. Clarence Hutchinson of Durham have the sympathy of many friends in Markdale and vicinity in their bereavement by the death of their only child, George Thomas, aged seven months. The young lad had not been in the best of health for the past few weeks and took suddenly worse on Saturday. He was taken to the Sick Children's hospital in Toronto but failed to respond to the treatment and passed away on Monday.

Melancthon Man was Kicked By Horse

Henry Hunking, residing north of Corbetton in Melancthon township, suffered painful injuries one afternoon last week when kicked by a horse in the stable on the Hunking farm. It appears that a shoe had come loose on the horse's foot and when Mr. Hunking attempted to remove it, the animal started to kick. The man's injuries consisted of a fractured jaw. He also had several teeth knocked out, a cut on the forehead and injuries to the chest. Dr. Lindsay of Dundalk was called and was required to put in eight stitches to close the wounds. Later Mr. Hunking was removed to Markdale Hospital for X-ray examination. He returned home the same night. His injuries are still quite painful.

Guarantee Price of Ontario Wheat

"Uneconomic from the ground up," was the description by Premier Hepburn of the announcement that the federal government is planning to set a minimum price for eastern wheat at 70 cents a bushel. The federal government's action in setting a minimum price for eastern wheat in the same way that it has subsidized western wheat prices for the past two years would mean an additional \$2,000,000 or more this year for Ontario farmer, Ottawa estimated. Premier Hepburn stated that he has 100 acres of wheat on his own farm. While offering the Ontario farmers the wheat bonus, Premier Hepburn emphasized, the federally created board of transport commissioners had rejected the application of the Ontario farmers and millers for equity in freight rates with the west, instead of the rates at present by which Western Canada and United States-grown wheat is carried to the seaboard at a rate of eight cents below that charged to Ontario farmers.

Ripley Will Vote On Beverage Rooms

Following the circulation of a petition signed by 25 per cent. of the eligible voters of Ripley, recently presented to the Village Council and sent on to the office of the provincial secretary, the voters of Ripley are going to be asked to ballot on the question as to whether or not the legal sale of beer and wines in beverage rooms will be permitted there. It is 32 years last May since Ripley as part of the township of Huron, voted on the Local Option Law and went dry. It was the first place in this whole section of the country to enter the dry column. The vote will take place on August 16th.

76th Orange Walk for Meaford Man

Enjoying his 76th consecutive Orange walk, Mr. Charles Devitt of Meaford, in his 92nd year said everything ran off like a machine.

When 25 years of age, Mr. Devitt joined the Orange Order in the County of Courtwright with Lodge number 43 with which he became master. He was master of No. 937 Rocklyn for 5 years. He was also district Master of Euphrasia for three years and County Master for East Grey for three years.

Mr. and Mrs. Devitt are well-known in the district and were pleased to be at the celebration held in Owen Sound on Wednesday.—Meaford Mirror.

Costs of Secondary Schools Not Increasing

There are those in the village who are of the opinion that the cost of maintaining the local High School has increased during the past few years. This opinion may be genuine or it may be only an excuse for fault finding. As a matter of fact the cost of maintaining Markdale High School has not increased during the past few years but the sources of revenue have been reduced. The grants from the Provincial Government are less now than they were a few years ago. Until 1928 the County Council collected from the village a levy for High School purposes and returned same to the School Board here. When this levy was dropped the Village Council did not add to their levy to collect from the ratepayers the amount which they had always paid and which the High School Board had lost. We paid the same levy for High School purposes in 1936 as we are paying in 1939 but a portion of it we paid through the County. It is true that we are paying as much to the County as we formerly did but the money is being used for other purposes.

The costs of High School education have not increased. In Markdale four teachers now cost only \$50.00 more per year than three teachers did a few years ago. The bus of course makes some difference in the total cost but in the end it reduces the average cost per pupil and supplies local and county pupils with education at a lower cost per day than would be possible were these same pupils attending other schools. The cost per pupil per day in Markdale is lower than the average for the County and the bus is responsible to a certain extent for this favourable condition. High School costs have not increased in Markdale and the facts prove such to be the case.

Members of Service Clubs Pay Their Own Way

Many an article has been written and many a sermon preached on the harm that follows the spreading of untrue tales. One such story again came to our ears the other day of a local citizen who said he would not patronize the Kinsmen celebration last Saturday because the proceeds are used to provide dinners and entertainment for the members every two weeks. We presume that such evil tongues will be saying the same thing about the Rotary Club. Possibly it needs to be said again that the members of these clubs pay for their own dinners, and, in addition, pay a yearly fee that covers the cost of operating the club and paying the dues to district and national headquarters. Every cent that is raised for service work goes to that purpose. Either club would gladly open their books to prove to anyone that such is the case, and every reasonable person would know that no club could "get away with" collecting money from others to pay for their dinners and entertainment. We cannot understand why anybody would spread such untruthful reports, except it is sheer ignorance and an evil mind that delights in slander. There is absolutely no truth in such reports.

Injured In Guelph

Severe head injuries were received shortly after 11 o'clock Sunday night by George Flynn, 14-year-old son of Mr. and Mrs. Steve Flynn, Mt. Forest, when he was struck by a car driven by Jack Spence, Earl Street, Guelph, after he had been thrown from a motorcycle in charge of James Stewart, of Mount Forest.

As reported by The Mercury they were returning from Niagara Falls, when the front wheel of the motorcycle caught in a rut alongside the car track on Gordon St. The track was slippery and both were thrown off the machine. Before they could pick themselves up a car which they had passed a few minutes before struck George, and had to be lifted off him. He was removed to Guelph General Hospital in an ambulance, where he was found to be suffering from a slight concussion, and cut about the face, but his condition later was reported satisfactory.

The above item was clipped from the Mt. Forest Confederate and refers to the son of a former Berkeley resident.

Mr. and Mrs. Geo. Mitchell Celebrate Golden Wedding

An interesting event took place in Flesherton on Monday when Mr. and Mrs. George Mitchell celebrated their golden wedding anniversary. The bride of fifty years ago was Miss Sarah Elizabeth McGirr of Fever-sham, only daughter of Mr. and Mrs. A. McGirr. The groom was a resident of Flesherton, owner of a private bank, which some years later was taken over by the Standard Bank of Canada, and Mr. Mitchell became manager, which office he held until he retired in 1922.

The weather on Monday was beautiful, Mr. and Mrs. Mitchell were in good health, friends came from near and far to congratulate the couple who had been friends of everybody, and all nature smiled a benediction on the bride and groom.

Both Mr. and Mrs. Mitchell are members of the United Church, and for many years Mrs. Mitchell taught a class in the Methodist Sunday School; she also was secretary, and a faithful one, for twenty years of the Woman's Missionary Society, and is a life member of the same, and still a regular attendant at the monthly meetings.

On Monday the home was resplendent with beautiful flowers, many of them gifts of friends sending tendering the love and good wishes of the donors.

Among the house party were many old friends: Mr. and Mrs. Patterson and son, D. J., her sister, Miss E. Shore, from near Clarksburg. The latter wore a beautifully beaded jacket, made by Mitchell, and which she wore at the wedding; Mr. W. H. Bunt and two daughters, Mrs. Martin, also Col. Martin, and Miss Florence, Mrs. O. Clipperton, Billy and Mary; Mrs. J. A. Boyd and Mrs. G. C. McDonald and Mrs. E. C. Murray, all of Toronto; Mrs. Inglis and Miss Queenie Kaitting of Owen Sound; Mr. and Mrs. W. J. McAleer and daughter, Mrs. R. Tinkhan, of Hammond, Ind.; Miss Priscilla Mitchell, Mr. and Mrs. Geo. Goldsborough, Diana and Harriett of St. Catharines, also George Mitchell of Toronto.

Mrs. Mitchell was presented with a bar pin, lovingly engraved. Mr. Mitchell received gold cuff links and a Masonic pin from their children, and many other gifts, among which was a silver cream and sugar service and a cracker and cheese tray from the neighbors.

All the children and grandchildren were home for the occasion, save Mr. Kendall Mitchell and family of Chicago, who telephoned his parents offering his best wishes, and Mrs. G. C. Mitchell and babe of Toronto. One son, Harold Andrew, was killed in action in France during the Great War.

Many wishes were expressed that Mr. and Mrs. Mitchell might spend many more years together.—Flesherton Advance.

Towns Have A Reputation

Towns have a reputation, and are commonly known as live towns or dead towns. Two towns may have the same population and wealth, but one of them may have an element of live action in it which its rival lacks.

What constitutes this life? It consists first in a willingness to work for the benefit of the community. If the people of a town won't organize and carry on activities, they can be expected soon to fall behind. In a live town, people are constantly looking out for chances to get new trade, obtain new industries, to encourage the industries they have to expand, and to maintain active organizations that provide home town benefits. Any town can become known as a live town if its people are active and energetic.

Etiquette Tips

Tips given in a restaurant are usually ten per cent of the bill to the waiter, except in some fashionable places where more may be required; ten cents usually to the hat and dressing room attendants.

Tips for a pullman porter are usually 25c to 50c for a one-night trip; 10c to 15c for a short trip.

To register in a hotel, a single woman, "Miss Marie Wilson;" a married woman, "Mrs. T. J. Cole;" a man for himself and his wife, "Mr. and Mrs. J. P. Love;" never "J. P. Love and wife."

To seat people at a dinner table, it is the custom to seat the host and hostess at opposite ends of the table, the principal woman guest to the right of the host, the principal man guest to the right of the hostess, and others in between, men and women alternately. Do not seat husbands next to their wives. At dinner of six or eight, the hostess tells the guests where they are to sit, at larger ones, she may use place cards.
