THE AIR

Elijah faced them. 31-37: And Elijah took twelve stones, according to the number of tribes of the sons of Jacob, unto whom the word of Jehoval

And with the stones he built an he made a treach about the altar, as great as would contain two measures of seed.

And he put the wood in order, and cut the bullock in pieces, and laid it on the wood. And he said Fill four jars with water, and pour it on the burnt-offering, and on the

And he said, Do it the second time; and they did it the second time. And he said, Do it the third time; eand they did it the third And the water ran round about the altar; and he filled the trench

also with water. Elijah's Prayer And it came to pass at the time of the offering of the evening oblation, that Elijah the prophet came near, and said, O Jehovah, the God of Abraham, of Isaac, and of Israel, let it be known this day that thou art God in Israel, an hat I am thy servant, and that I have done all these things at thy

Hear me, O Jehovah, hear me, that this people may know that thou, Jehovah, art God and that thou hast turned their heart back

In this solemn and earnest invocation of God—the name "Jehovah" describing God as he is himself—the one eternal, self-existent Being—is united with the name which shows his special coverent with Abraham and Isaac and enant-with Abraham and Isaac and prehensible to finite beings, he yet itual relations with his people, through which they "know that which is past knowledge." The prominence of the name Jehovah. thrice repeated in this prayer of Elijah, is significant of the special mission, symbolized in this very name, so also of his immediate purpose. He desires to efface himself. The God of Israel is to show himself as the true worker, not only in the outer sphere by miracle, but in the inner sphe by the conversion of the hearts of

The Sign
38: Then the fire of Jehovah
fell, and consumed the burnt-offering, and the wood, and the stones, and the dust, and licked up the water that was in the trench.

The doom of the false prophets,
the life of Elijah, the future of Israel, and the honor of God are all involved in what should hap-gen following Elijah's prayer. This miraculous and supernatural fire falling from the heaven con-vinced the people that Jehovah was the true God.

39. And when all the people saw

would soon fall upon the fearfully parched land. But the prophet

33. And when an the people saw
It, they fell on their faces; and
they said, Jehovah, he is God; Jehovah, he is God.

Thus the great fire was the emblem of Jehovah, and the sign of
his acceptance of his people's service. And so Elijah had the The Authorized Version of the Bible, known generally as the King James edition, is printed only in England for distribution through the British Empire, and under license which is vested in the crown.

priests of Baal put to death, not lo much from revenge as queen
less of the true God, but to carry
out the fundamental law of the himself went up to Mount Carmel and cast himself down upon the earth and "put his face between his knees." Thus a solitary man brought back rain to Israel. His Old Testament kingdom of God, which prohibted idolatry on pain of death.

40-46: When the last priest of prayer was abundantly answered. There are certain characteristics in Elijah's prayer, which should form the part of all true prayer. Baal had been put to death Elijah turned to the king and told him to go up to his house and eat and drink for an abundance of rain It was based on the promise of God. It was definite. It was earnest, humble and full of expectant faith.
