Here is a letter from a school teacher recently received among numerous others by one of our branches observing the 50th anniversary of its establishment:

"I write to congratulate the C--- branch of the Bank of Montreal on the celebration of its jubilee anniversary; and to wish it continued

prosperity and success. "As one of the smaller depositors in your bank I have been enrolled there for most of the fifty years; and have certainly appreciated the courtesy and friendliness of the staff-and the feeling of safety which the name 'Bank of Montreal' has always meant to me. "Hoping our future relations may be equally

pleasant, and that many new friends may be added to your list, "Yours very sincerely, "I am,
