#### Juveniles Defeat Flesherton Here Last Night

In a juvenile league fixture play ed last night in the local arena the Miss Ina Bradley has opened a Markdale kids put Flesherton lads last week when seventeen rinks pardown by a score of S to 4. It was a ticipated in the play. An Owen good game to watch and some very good plays were made by both teams The locals were more effective a round the goal than the visitors and for this reason got the long end of the score.

In the first period Jack McGee scored when Bill Perkins gave him the puck at the goal-mouth and he counted again when he batted the last week after spending three weeks puck in after the goalie had stopped Leonard Carefoot's shot.

The visitors had the best of it in Mrs. C. Harsen and children of the second frame when they got and Dr. J. A. McArthur of Markdale, Toronto are visiting with the form-three goals to the locals two. . Carefoot scored on a pass from Perkins and Gordon Rimmer sent one home

In the final spasm McGee got one gone to spend a few weeks at his on a long shot and Carefoot took McGee's pass for a second one. He D. Campbell, the optometrist, will then scored from a scramble in front he at Marshall's Drug Store next of the net and Ratcliffe gave McGee a pass which counted. Flesherton

Ed. Border was the referee Markdale: Goal, W. Brown; de fence, B. Marshall and M. Ratcliffe; centre, J. McGee; wings, L. Carefool and B. Perkins; alternates, K. Fitz simmons, G. Rimmer, W. Arrowhas been appointed as manager of smith, H. Wyvill, S. Woods, C. Mc Cullough.

#### Flesherton Defeated Markdale on Monday Night

The Flesherton puck chasers prov ed to be better goal getters than the locals when the teams met in the local arena on Monday evening of this week and took the decision by a seven-to-two score. The Markdale lads are just as good on the ice as the Boyne River boys but when it comes to getting the puck into the tent that's different. Bob Dundas in goal for our boys put up a whale of a game and saved the day on numer ous occasions.

In the opening period Lloyd Wiley drew first blood when he received a pass from Fitzsimmons and beat Ferris for a nice counter. Boyd for the visitors evened the score in a few minutes and Johnston made it twoto-one before Winterburn gave Wiley the puck to even the score which stood 2-2 when the period ended.

In the second spasm Markdale boys missed at least a dozen opportunities to count and the same is true of the final period. Flesherton added three in the second frame and two in the closing stanza.

Markdale: Goal, B. Dundas; de tence, W. Walker and E. Freeman; centre, L. Piper; wings, N. Hartley and A. Noble; alternates, H. Winterburn, A. Fitzsimmons, L. Wiley.

Flesherton: Goal, Ferris; defence Johnston and Best: centre, Leavell; wings, Boyd and Dargavel; alternates, McMillan, McTavish, Gorrell Cairns, Sled

Referee: M. Dean of Shelburne.

#### It Blowed and It Snowed and Blowed Some More

After almost a week of below-zero reather a blizzard swept over Ontario Saturday night and Sunday and we got our share of it in this neck of the woods. The snow piled up in great quantities and roads in all directions were extremely heavy. The local mail couriers did not cover their routs on Friday, Saturday and Monday but were out on Tuesday and got through where the roads were broken.

There were quite a number in town from the territory adjacent to the village on Tuesday and we noticed that a span of horses and the front bob of the sleighs was one of the most popular methods of travel. The reports of the storm and the blocking of auto traffic as contained in the daily newspapers was amusing. Reports of drifts on the highways ten and twelve feet deep are silly. One city paper reported a bread shortage at Rocklyn, Blantyre, Goring and Walters Falls. This also is a bit of nonsense. The people in their own bread and the storm would not interfere in any way.

There is no doubt the storm was a ripper but the reports in the daily facts. Motor traffic on No. 10 highway was continued throughout the worst hours of the storm.

F. T. Hill & Co. drove a car load of cattle from their farm on the East Backline, Artemesia, to the local shipping yards and no trouble was experienced.
