Congratulations to Mr. and Mrs. Cecil Williamson on the arrival of a sister for Keith and Merle.

Our sincerest sympathy is extended to Mr. and Mrs. Levi Burnett and Goldie and Murdy in the very sad death of their daughter and sister, Mrs. Jas. Leitch of Irish Lake. Gladys moved, with her parents, to this neighborhood when a little girl nine years old. Mr. and Mrs. Burnett are to be pitied in their sorrow, she being their only girl living. One other daughter died in infancy a number of years ago.

Mr. Lloyd Harvey of near Ravensna was home for the week-end.

Sorry to report Mr. Tom Woods suffered a stroke last week but we are glad to report he is able to be up and about again.

One can hardly believe the election is only three weeks away. I wonder where the old fire has gone from our men. ## Supply AND Demand

The demand for our creamery butter has increased to such an extent that it is almost impossible to fill the orders of year round butter customers. This is why you are assured of the Highest Possible Market Prices for Your Cream when you are selling to us.

Our advice to Cream Producers is to market their entire supply of cream to the nearest creamery, thereby eliminating unnecessary gathering expense. It is particularly essential to cut down expense during war time.
