Children's Excursion To Niagara

These instructions concerning the blg excursion to Niagara are for your information. Please read them carefully.

1. The excursion will take place on Saturday next, May 18th. The first long stop will be at the Rock Gardens, just as you enter Hamilton, at the head of York St. The gardens are on the right side of the policeman will likely be stationed read the Scripture lessons, and May are requested to be at the Rock there to direct traffic. All drivers the party will likely be photographround the famous picture by Uhde, ed there. We expect to delay about "Come, Jesus, Be our Guest". > 2. All teachers who can go, and we hope many can do so, are invited to be members of the committee and are requestel to wear red bands on their hats. This is important.

3. Enroute we shall visit various historical points of interest, such as the monument at Stoney Creek, the home of Laura Secord, the battle field of Queenston Heights, Brock's Monument, and others.

4. An opportunity will be given children to cross to the American side for a short visit. This will cost

each child ten cents, to walk across 5. Children will not forget their two lunches-one for noon and one for supper.

6. It is suggested that teachers try to find one of the older histories, in use some years ago, and draw map of the Niagara district on the blackboard and locate the various points of the War of 1812.

7. Drivers are requested to pro vide a short piece of rope or heavy cord which the children in their cars may hold when passing through the market at Hamilton.

8. Each driver is requested to look after the interests of those in

9. It is greatly to be regretted that a few schools have not thus far been able to arrange for cars to take the children. Teachers are requested to make every effort to find accommodation. It is quite possible that two or more schools, if small, could join forces and hire a car. If you have not reported to me, and if even at the last minute you can find transportation, be sure to write me to that effect. Any local arrangement that teachers can make about either the cost of the car, or nature of the car, such as truck, bus, or ordinary car, will be satisfactory to the com mittee.

:10. Drivers are also reguested to fasten red strips of some sort, about two inches wide, in the form of a St. Andrew's Cross over the back of the car, and at least one strip of red at some prominent part of the front of their cars. This will easily enable drivers to keep with the par ty while in Hamilton and en route to the Falls.

111. No special instructions are given for the routes to follow before reaching the Rock Gardens at Hamilton. Go the easiest and best way, but halt there at nine o'clock.

12. All cars will, on leaving Ham-Fred Carnaid and son, Leslie, and Monday evening at the Saunders liton, go south on John street to the Hamilton Boulevard, then east, that The slides shown by Mr. T. History of the Markdale Church

in 1849, Rev. A. H. R. Mulholland, afterwards Archdeacon, was ordained by the Right Reverend John Strachan, first Bishop of To street, and a park on the left. There were no roads for wheels at that time, so he made churchyard were removed to the his journey from place to place on Markdale cemetery and the ground old log schoolhouse on the Toronto at that time. In 1856, Mr. and Mrs. George Walker made a gift of the first acre of land cleared on their farm to be churchly manner and to facilitate used as the site for a church, and entrance to the Sunday School from Mr. Wm. His successor, Rev. Rowland Hill, took up his abode in the stone cottage on the right hand as one nears Eugenia village, travelling from Flesherton. Both he and his pre decessor styled themselves "Incumbent of Proton, etc." and evidently covered a vast territory, as Rev. R. Hill had to his credit the baptism of persons in the Townships of Mulmur, Amaranth, Melancthon, Proton, Osprey, Nottawasaga, Arteme-

sia, Euphrasia, Glenelg and Holland. From July 4th, 1871 to Feb. 1st, 1874, the parish seems to have been under the supervision of Rev. W. B. Evans of Durham who performed the baptisms and entered them in the Register of that Parish.

In February 1874, Rev. J. J. Mor ton took charge, residing in Markdale. During his time, he officiated twice a month in Markdale and once a month in Flesherton, Eugenia Melancthon, Dundalk and Inistigge

The Rev. George W. Racey had charge of the parish from May, 1876 until November, 1877, and was succeeded by the Reverend James Ward, who remained until 1887. During his incumbency, the present Christ Church was built and opened for worship in February. It is interesting to know that the church building, furniture, and fence cost only \$4075.92, and that of that a mount \$600 was contributed by friends in England.

The church was consecrated or Tuesday, October 12th, 1886, by Bishop Baldwin, being by that time free of debt. During the earlier part of Mr. Ward's incumbency, he little daughter Minnie; an Altar held services in Markdale, Maxwell, Eugenia, Dundalk, and Inistioge. Of these, Markdale and Maxwell received services regularly and the others less frequently. Week-day services were held in homes and halls, including the Orange Hall, Berkeley.

Maxwell was cut of keley in 1937, and the church put from Markdale and put on with Dundalk and beginning with the Sunday after Easter, April 17th, 1887. Berkeley was given a service every Sunday afternoon, the services in Markdale being held from that time every Sunday morning and evening. The erection of St. Matthias' Church. Berkeley, begun under the direction of Rev. Jas. Ward, was completed during the first few months of the incumbency of Rev. W. A. Graham and formally opened on February 12th, 1888, Mr. Ward Mrs. Hugh Mercer; Lay Representa- vine Head manifested by this conpreaching at all services on that day, and Mrs. Ward, (nee Frances Ford) officiating at the organ. Markdale may well be called the mother of churches.
