\$1.50 per year in Can

This is the road and there is no other to Canadian prosperity. Embrace it without delay and cut short the depression. Either one of these reform measures will reduce unemployment and rejuvenate industry throughout the country, but it takes both to put the prosperity ship under full sail.

I shall not labor No. 1 as to how and why the disparity in price levels, between city and country has to be between city and country has to be rectified, but will say, though the country has to be rectified, but will say, though the country has to be rectified, but will say, though the country for the prosperity in price levels, between city and country has to be rectified, but will say, though the country has to be rectified, but will say, though the country for the prosperity in price levels, but will say, though the country has to be rectified, but will say, though the country has to be rectified, but will say, though the country has to be rectified, but will say, though the country has to be rectified, but will say, though the country has to be rectified, but will say, though the country has to be rectified, but will say, though the country has to be rectified, but will say, though the country has to be rectified, but will say, though the country has to be rectified.

rectified, but will say, though the operation may be 'caesarian' it has slow and sold at unsatisfactory pricto be performed.

And in relation to No. 2. I ask, es 3.75 to 4.00 alive. are the people of Canada so dense as not to appreciate, that, if they have lost the frontier spirit of tack ling the opening up and settling of this great North Land, from Labrador to the prairies and beyond, others must claim the right? Is this far flung arable and timber area to be given over to the exploiter and speculator, or shall we open the gates to the Scandinavian, or the Muscovite, yes. to Czech and Polock this great North Land, from Labra-Muscovite, yes to Czech and Polock lunch served by the ladies of the refugees?
