'Just Twenty Years Ago'

Westinghouse, the oldest name in broadcasting, established the world's first broadcasting station KDKA.

Westinghouse now has released the last word in the Radio field for 1941. An advanced Radio designed for farm or hydro operation.

"As a battery set it offers Outstanding Economy, using ONLY ONE-HALF the battery drain of former farm radios." Already more than three times as many people have purchased Westinghouse Radios compared with the same period last year.

and the demand continues to increase with the release of the 1941 models. See your Westinghouse Dealer today. W. S. Erskine, Markdale.

Registration Is Necessary

You have a date with your country on August 19, 20 and 21. Do not neglect it. There are penalties involving fine and imprisonment, but no one should be penalized for neglect.

If you are absent from home on that day, register at the nearest point of registration. The Registrar will forward your answers to the proper designation.

Answer the questions definitely, especially 14 and 17. These deal with the question of your present employment and capacity for other work. Your answers may be helpful to you as the demand for labour increases. National production for war purposes means demand for more men and women.

Mrs. D. McGee spoke on the motto, "Early to bed and early to rise, makes a man healthy, wealthy and wise". The roll call was answered by a recipe for good health.

Mrs. W. Ratcliffe gave a good paper, "Feeding the family for health". Mrs. H. Graham gave a demonstration. Misses Pauline Hutchinson and Dorothy Kelso sang a duet. Mrs. Thompson put on a contest which was won by Mrs. H. Graham. Mrs. A. Fawcett and May Graham served lunch.

Singing Star Enjoys Banff Interlude

Blonde, petite Hope Manning, whose glorious voice is known to millions of radio fans, found peaceful relaxation at Banff in the Canadian Rockies between singing engagements. The Columbia singing star, who is seen here at the famous open-air sulphur pool at the Banff Springs Hotel, traveled through Canada on her way east to St. Louis where she was to start a month with the famous "Almy" Operas. She had just completed an engagement with John Charles Thomas and the Los Angeles Light Opera.
