Billie Edwards, the youngest son of J. R. Edwards has a good deal of dare devil about him and isn't afraid to work or get into trouble. When but three years of age he dared a cross old ram and came out second best. Being six years old this spring he began school life and has impressed his personality quite strong on the teacher. Of course he began attending Sunday School as well. Getting to Zion on time on Sunday, he was safeguarding his copper by placing it in his mouth. Somehow it slipped into his gullet and then there was an exciting time. Miss Gladys Firth, teacher and Supt. Cameron Robson were having an unusual occurrence. Mrs. Jim Peart was quick to act, hustling him into her car, she gave him a quick trip to his home where a mouthful of well-chewed bread forced the intruder on his way. We expect this gritty grandson of ours to make a name for himself some day.

# REGISTRATION STARTS ON MONDAY August 19th

Commencing Monday, August 19th, Canada calls on her citizens, 16 years of age and over, regardless of nationality, to register. Because of the magnitude of this task the Government asks those who must register to study the questionnaire carefully.

Every question must be answered truthfully and without evasion. It is imperative that every one 16 years of age and over register. You will make the whole task easier for yourself and the Government by registering early. Registration will last for three days only.

## REGISTRATION DATES August 19th, 20th, 21st

**EVERYONE CAN HELP**—To keep the cost of this registration at a minimum the Government is asking the co-operation of all public-minded citizens in the work of registration. You can help by getting in touch with your local registration officials and offering your services.

### WHERE TO REGISTER

Registration offices are being set up by electoral districts in the same manner as in the last Dominion election. Registrants are required to register in the regular polling subdivisions of their own constituencies. But should a registrant be in some other province or district out of the regular polling subdivision on Registration Days, he or she may register at any registration office convenient, upon satisfactory explanation to the local deputy registrar.

**Penalty for Non-Registration**—Failure to register will make any male or female, married or single, over the age of 16 years, liable to a fine not exceeding Two hundred dollars, or to imprisonment for a term not exceeding Three months, or to both such fine and imprisonment, and moreover to a further penalty not exceeding Ten dollars for each day, after the day upon which he should have registered, during which he shall continue to be unregistered.

### Your Registration Certificate

To every person answering the questionnaire fully and satisfactorily a certificate of registration will be issued by the local deputy registrar. This is a small card which must be carried on the person at all times.
