### HARKAWAY

Mrs. Wesley Patton spent a day recently in Toronto. Mr. and Mrs. Amos Boyes and Leslie of Meaford visited Sunday with Mr. and Mrs. Roy Lyons. Mrs. Heath, who has spent the summer with her daughter, Mrs. Wesley Patton, has gone to spend the winter with her daughter, Mrs. Henderson in Holland Centre. Miss Mildred Rae spent the week-end at her home here. Mr. and Mrs. Lloyd McLaughlin and Marshall were recent visitors with Mr. and Mrs. Erling Marshall of Walters Falls. Mr. and Mrs. Wesley Patton and Leo visited Sunday with Mr. and Mrs. Chas. Wright of Walters Falls. Mr. Arnold Rae, who has spent the past three weeks at Clarksburg picking apples returned home on Saturday. Mrs. A. Barry spent the week-end with Mr. and Mrs. Hadden of Markdale.

### ROCKLYN

Seldom does such a crowd be seen in Rocklyn as was present at last Sunday afternoon for the annual Armistice Service. This year the presence of the Euphrasia Home Guard, two hundred and seventy-five in number, was an imposing sight. The troops, well drilled and in uniform, were inspected by Hon. H. S. McCready, who was most generous in commending them. Reeve Harold Dawn was chairman of the service, which was held in the rink building. A men's choir, with Mr. Stuart Falls at the piano, led the music and several of the local ministers assisted in the service. Col. Ferguson gave a short address, concerning the work of the Home Guard. In the absence of Capt. Rawson, who was to have been the chief speaker, Rev. Elliott of Heathcote, gave a most interesting and inspiring address. The service at the Memorial Gates, with the sounding of the last post, was held as usual with Messames Wes. Breadner, placing the wreaths. Mr. and Mrs. Geo. Loucks have moved from the village where they spent the last year and a half. Mr. Loucks had charge of the chopping mill while here. This popular young couple made many friends here and we are sorry indeed to see them leave. Mr. Edgar Thompson has purchased the Callahan farm in Glenora and expects to move there shortly. Wilbert McClean has been accepted as an electrician in the R.C.A.F. and awaits a call to report to duty.

### WALTERS FALLS

A large number of people attended the United Church fowl supper last Tuesday evening, doing full justice to the good things provided. The varied program was much enjoyed. The W.A. of the United Church met at the parsonage last Friday afternoon. The Women's Institute held a hallo'een masquerade social in the hall last Thursday evening when those who were masked had the best enjoyment. Quite varied were the costumes and quite a number of classes judged by Rev. Mr. McDonald, Rev. and Mrs. Rokeby-Thomas, Messrs. Gardner and Gowan and Mrs. Hopkins provided the prominent music. A short program was given. Lunch of sandwiches and tart was served. Laymen's service for Grey Deanery was held in the Anglican Church on Sunday afternoon. A good attendance of laymen were present. Mr. W. J. Miller of Bognor and Mr. Robt. Ferguson of Clarksburg read the lessons. Judge Morley of Owen Sound preached a very fine sermon. North Grey Ministerial Association were entertained at the rectory by Rev. and Mrs. Rokeby-Thomas on Monday afternoon for their monthly meeting.

### WODEHOUSE

The lovely days of late have been so much enjoyed following the squalls at the end of the week. Much fall work is yet to be done. Many from here attended the Armistice service in Rocklyn on Sunday afternoon. Our Home Guards are making strides in the military call and tho' it was fine to look upon them, it caused a pang of regret that such should have to be, but too, a feeling of true loyalty and pride. Many also attended the anniversary services at Epping. Mr. R. H. Wiley has not been as well of late, being confined to his bed at present. We hope he will soon be able to be about again. Messrs. Sam Wiley and Newt. Smith are doing cement work in their stables. Will Lawson has shingled his house and barn. The Girls' Class has been organized again under the leadership of Mrs. Nelson Wilcox. Their work this year will cover the value of foods in the diet and first aid work. There was a good attendance at the Women's Institute meeting at Mrs. Sam Wiley's home on Thursday afternoon. Several visitors attended. Miss Ina Wiley has been visiting friends in Markdale. Mr. and Mrs. Wilcott Buskin and Miss Helen Wiley of Guelph were visitors during the week-end at Helen's parental home, Mr. and Mrs. Gordon Wiley. Miss Mildred Cherry of town spent the week-end with her grandparents, Mr. and Mrs. J. Cherry. Mr. and Mrs. Mills of Temple Hill were callers with Mr. and Mrs. N. Mathews.

### TRAVERSTON

There were some odd looking characters spooking around on hallo'een; but their peculiar tricks were rousing sleeping folk from midnight sleep.

Miss Bernice Durnin of No. 5, spent the week-end with Miss Dorothy Ritchie of Edge Hill. Road Supt. Arnett has completed the repairs to the bridge at W. R. Jack's corner. Graham Timmins, Jr. lost a fine spring colt last week. It broke through the covering of an old unused well. W. W. Graham of town purchased a 27-year old horse from your scribble on Monday. He had proved a valuable animal in his day. Fall wheat has grown wonderfully since sown and will go into winter in most promising condition. Mr. and Mrs. Ray McCrae and family of Palmerston were visitors on Sunday and took back with them, Mrs. Jos. Atkinson, who has spent the summer here, but spends the winters in the railroad town. Mr. and Mrs. Richard Bryans and June and Mr. Wm. Bryans of Varney and Mr. and Mrs. Fred Cook and family of Durham were guests of Mr. and Mrs. R. E. Bryans the first of the week. Mr. Robt. Jackson attended Senator Duncan Marshall's big sale in Bruce last week, but we have not heard whether he purchased a short-horn sire or not. Mr. Albert Maynard motored Mr. and Mrs. Ben Mays over to Egremont on Sunday to visit Mr. and Mrs. Bob Wilson. Mr. Donald Nelson of Toronto and Mrs. Ed. Jeffreys and son of Markdale were visitors at Mr. Wm. Taylor's over the week-end. The tax bills are out and are quite a bit higher than last year, which was anticipated, owing to the big mileage of roads that received an extra heavy coat of crushed gravel. Strange how pork prices always take a decided drop when the farmers have their taxes to pay. The prices don't drop to the consumer, nor on export either.

### ORANGE VALLEY

Recent visitors at the McFadden home were: Mr. R. T. Cook, Mr. and Mrs. W. J. Cook of Zion, Mrs. Glen McGee of Vandeleur. Mr. Jack Hill of Nobleton spent the first of the week here. Mrs. Chas. Gilchrist had her tonsils removed in the Markdale hospital last week and is still feeling the effects. Glad to report Mrs. W. J. McFadden improved after having spent several days in the hospital. Sunday visitors with Mr. and Mrs. W. J. McFadden and Gladys were Mrs. Thos. Davis, Mrs. Sam Chapman, Mrs. Wilson, Mrs. Mathews, and Mr. Roy Mathews of Durham, and Mr. Bill Sprung of Camp Borden. A jolly time was spent in the Orange Hall on Thursday evening, under the auspices of L.O.L. No. 509 to honour one of their members who had recently joined the benedictines. Previous to the lunch hour, Mr. and Mrs. Wm. Kinney were seated at the front of the hall and Mr. Wesley Littlejohns read an address and Mr. Ken Teeter presented the newly weds with a pair of blankets on behalf of the lodge. Bill made a suitable reply and then all joined in singing, "For they are jolly good fellows". Lunch was served and dancing resumed for a short time. Wedding bells are loudly ringing in our burg.

### KIMBERLEY

The Kimberley Women's Institute were generously entertained at the home of Mrs. Howard Baker on Thursday afternoon. A large crowd was present and an enjoyable time was spent. Mrs. Geo. A number attended the memorial services and inspection of the guard by Hon. Chas. McCready at Rocklyn and also the anniversary services at Epping on Sunday last. On Monday, Nov. 11, at the W.A. supper the wreath from the Ontario government will be placed on the memorial tablet in the Community Hall. At time of writing Mr. G. A. Hutchinson is critically ill following a stroke. A number of the family have arrived home. The Kimberley Women's Institute held a hallo'een masquerade party in the Community Hall on Thursday night. A good crowd was present. Miss Wellar, Mrs. B. A. Carruthers and Mr. Glen Jenkins were judges for the different costumes. # HOG CHOLERA —A MENACE!

Active Co-operation of every Ontario Farmer is Necessary to **STAMP IT OUT**

ONTARIO has a really serious outbreak of Hog Cholera. This deadly infectious disease of swine has reached alarming proportions in the counties of Essex and Kent, with smaller outbreaks in Lambton, Elgin, Norfolk and Haldimand. If the disease is not controlled it is certain to spread to neighbouring counties. Every precaution must be taken. The Ontario Department of Agriculture is actively co-operating with the Federal Department of Agriculture and farmers in their efforts to stamp out this disease. If the spread of Hog Cholera is not checked NOW, every pig raiser in Ontario stands to lose. Only the immediate and wholehearted co-operation of every Ontario farmer will stamp out this menace to the hog industry.

### HOW TO PREVENT HOG CHOLERA

The Departments of Agriculture strongly recommend every pig raiser to take the following precautions:

1. Confine all hogs to pens or yards that have been thoroughly cleaned and disinfected with an approved disinfectant.
2. In centres of heavy infection, if possible, keep hogs away from stray dogs such as starlings, sparrows, and pigeons, which may have come direct from an infected barnyard. Destroy as many pigeons, sparrows and starlings as possible.
3. Keep dogs out of the pig pen. Keep your dog under control in the daytime and tied up at night. Keep stray dogs off your farm.
4. Burn any dead pigs or bury them so deeply that stray dogs will not dig them up.
5. Keep all doors closed and protect the windows so that no dogs or birds can enter the pens.
6. Do not visit neighbours' hog pens nor allow neighbours to visit yours.
7. Always have a pen of strong disinfectant solution just inside the door so that anyone entering the pen can disinfect his shoes, AND INSIST ON ITS USE.
8. Keep livestock trucks off your farm—if you have stock to ship, load up at the end of the lane. Disease-bearing refuse dropping from the bottom of the truck might easily be carried to your hogs.
9. DO NOT PURCHASE "FEEDER HOGS" except from dependable sources within a clean district.
10. Isolate newly purchased breeding stock for at least three weeks before permitting them to run with hogs already on the premises.
11. In areas where hog cholera exists be extremely careful about breeding outside sows with your boar.
12. Where hogs are serum treated, follow to the letter instructions given by the Veterinary Inspector of the Federal Department of Agriculture.
13. Feed only carefully balanced rations. Well-fed hogs have the strongest resistance to disease.

Hog Cholera is highly contagious and can spread very rapidly. The above precautions, put into practice, TODAY, will do much to prevent the spread of this deadly disease.
