asks for charity, says the News. It gives its advertisers full value for their money. Unless harmony Unless har gives its advertisers full value for their money. Unless however, its advertising columns are used, it cannot continue. The money received in subscriptions would not keep any paper going more than a few weeks in the year, and mighty few publishers are able to thrive on the provide a pr

Newspaper publishing in itself can seldom be made to pay in the average town. Consequently most newspapers do job printing on the side to help meet expenses. Yet, as the Tweed News points out, it is surprising how many merchants whose towns are kept on the map by their local papers, will patronize out of town printing salesmen. Editor Sam Curry sadly relates the tale of a Tweed merchant- who sent him a Tweed merchant- who sent him a Tate - Richardson—One of the pretitiest weddings here for many printing a good time. It seems to be really interested in having me call."

Tate - Richardson—One of the pretitiest weddings here for many most was that which took place at the residence of Mr. and Mrs. M. K. So it comes down to this that we have to reorganize from the bottom and follow to some extent the expension of the pretitiest weddings here for many most was that which took place at the residence of Mr. and Mrs. M. K. Richardson, on Wednesday aftermoon, Jan. 11, when their youngest daughter, Mary Christine, was united in marriage with Mr. Frank Tate of Lucknow. (The ceremony was following.

The Standard's Know Grey County Contest

THE QUESTION FOR THIS WEEK IS:-

What High School in Grey County had the lowest cost per pupil day in 1939?

Each week a question will be asked and the answer to such question must be in our hands before Wednesday at 12 o'clock noon of the next week. The correct answer will be published in The Standard the week following the issue in which the question appeared. It has not yet been decided how many questions will be in the series but the person who at the end of the contest has the most correct answers will be awarded the first prize and will receive The Standard for three years; the second prize, two years' subscription; third prize, one year's subscription.

Answers to this question must be in not later than 12 o'clock noon on Wed., Jan. 29.

Each week the correct answers received will be filed and at the end of the contest Messrs. A. G. Robertson, J. A. Davis and Albert Rusk will award the prizes. Winners to qualify for the award must be members of a family whose subscription to The Standard at the end of the contest is paid to December 31st, 1941,

The answer to last week's question, "What Paid Officials of Grey County reside in the County.", is: None of them reside in the County. They are all residents of the City of Owen Sound.
