Bells of Freedom . . .

Ring every Sunday, in Canada
"In many lands this year bells are silent—freedom is denied."
—Rev. Hon. W. L. Mackenzie King.
It is your privilege to attend the church of your choice . . . to worship as your conscience will.
A Nazi world means the end of the church you love. It means compulsion to accept a form of worship prescribed by political dictators.
In the words of the Prime Minister, "When we speak of the preservation of democracy, of Christianity and of civilization, we say no idle words . . . the existence of all three is at stake."
Freedom of worship is one of the priceless privileges that all Canadians enjoy. That death-bought right is in jeopardy.
Therefore we must all unite in supporting a nation's war effort in order to preserve this freedom.

Willing Worker FOR THE FARM

Ontario's Students Offer to Help Relieve Emergency Need for Farm Help!
Already more than 6,000 of Ontario's sturdy High School students have volunteered their services to the Farm Service Force of Ontario! They are devoting their summer months to help farmers meet the greatest production demands in their experience. Students will be relieved of school responsibilities as farmers require them. Especially prepared courses of study have been offered to fit these willing young people for the summer's work on the farm.
Britain is depending upon Ontario's farmers to supply a great proportion of their needs for cheese, bacon, concentrated milk, and other farm products.
Farmers who have not registered their requirements for student assistance are urged strongly to do so without delay. Simply notify your Agricultural Representative or local High School Principal, or write: Farm Service Force, Department of Labour, Parliament Bldgs., Toronto.
After one week on the farm, these sturdy, young volunteers receive this distinctive crest upon application to the Farm Service Force, Department of Labour, Toronto.
