Make Better Jams and Jellies

Use **CERTO** - it gives **SURE RESULTS**

SHORTENS BOILING TIME—For jam you need only a one-minute to two-minute full, rolling boil—for jelly a half-minute to a minute.

MORE JAM OR JELLY—So very little juice has time to boil away that you get up to one half more jam or jelly from an equal amount of fruit.

BETTER TASTE—COLOUR—In this short boil the fresh flavour stays in the fruit; the natural colour remains unspoiled.

NO FAILURES—If you follow the Certo recipes exactly there'll be no failures. Your jams and jellies will turn out right.

Book of 72 Tested Recipes under label of every CERTO bottle
