Spies In Britain Lead Lonely Life

From Arrest to Hanging They Never See Plain Cit-

Unless they are military men, spies of a foreign power caught in Britain never come under army prisdiction and if convicted ar they are tried by a court-marti and shot.

What happens when civilian spies are arrested is told in the

London Daily Mail: ped they are "spirited away," and ary citizen, except the twelve men

cells. Their police court hearing is held in camera, usually in a pri vate room at Bow Street Police Court, London. They are taken from the prison to the court in : car accompanied by specially pickd warders. With blinds drawn, the car is driven into the yard a Bow Street, and none but officials In prison extreme precaution is taken to isolate them. Warders guard them day and night. They eat with their guards, and exer 7. "And there was war in sider can peer. Daily they are visited by the doctor, and-un known to them-special observation is kept on them to see if they have any mental abnormalities. In transit to court and prison, they neither see nor are seen. At the Old Bailey they are isolated in

Time.—About A.D. 95.
Place.—The Island of Patmos in the Aegean Sea.

Our Bible speaks of terrible greater even than those we have thus far seen, and, amazing to say, actually a war in heaven. It is concerning the terrible final battle in heaven, that our lesson is concerned, and how it behooves all of us these days to know de finitely what the Word of God

heaven: Michael and his angels gon; and the dragon warred and his angels; 8, and they prevailed not, neither was their place found any more in heaven. 9. And the great dragon was cast down, the old serpent, he that is called the Devil and Satan, the deceiver of the whole world; he was cast down to the earth, and his angels were cast down with him." The scene described in these verses is not spoken of as a sign. The presence of satan in Heaven is a reality. A war there between the hosts of good and evil under their respective leaders, Michael and the Dragon is most sure. Sin was conceived in the heart of Satan. Not content to occupy a creature's place, he aspired to the throne itself. The first step in the execution of judgment upon

Jelks yelled, "Hello the house!" Phil Lamprey came to the door, "Like to water the team," Ruius called, after a word of greeting.
"Help yourself." Phil came forward and recognized Anne. For a moment he was disturbed. He thought she had come to see his brother. But he greeted her erican troops.

ers to The Sentinel." Jelks explained. "Are you on the list? And have you paid up?" The boy smiled back at him.
"We're subscribers, and we have paid up to the end of the year." "Fine. Where's Jesse?"
"He went up to Bat Overstreet's to get a horse shod."

different reasons' why the boys have to go to Bar's so often. Some tell the truth-that he's up there horses as he talked.

Test Pilots Make Record Plane Tests Officials of Noorduyn Aircraft

Limited, Montreal, have announc-ed what they believe to be a new and acceptance of planes used company's test pilot, E. L. Capreol and FO. G. R. Lortie tested eight new planes and seven repaire machines in one day. So far as they knew, officials added, the mark never has been equalled in wartime either in Canada or the United States.

Many War Tasks For Rural Women

American Farm Bureaux

Head Tells Convention o Their Role Rural women have a great task to perform in the fight for demo cracy and have early reason to be proud of their part in the war ef fort. Mrs. M. Schuttler, denar mental chief, of the American Farm Bureaux in Missouri, recently told 125 Canadian and United

States delegates to the regiona conference of the Associated Countrywomen of the World. All Are Farmers
When the ordinary person talks of "women farmers," she said, he is thinking primarily of women who manage their own farms, but This disclosure of the day-to-day

actually all farm women are "wo-men farmers." They are "really "Women who are on farms have

"Farm women manage their homes, poultry yards, dairies and gardens. And every can of string every fresh vegetable plate served the home table releases jus that much of other necessities t the countries fighting for democ Women Co-Operate

Agriculture Minister Hon. J. G. Gardiner paid tribute to farm women for the way they have co operated in making Canada's war-time food program successful. Speaking of rationing in Eng-land and the lack of it in Canada, Mr. Gardiner said: "We are not rationed in the same sense, vet if you exmaine the figures for cheese, eggs and others-you wil see that in the case of bacon we have promised to send 600,000,000 pounds of pork products to Britain in the third year of the war. "We will do it, even if it means there is not a pound left in Canada for home consumption. "In the simple statement tha the entire production of Ontario and Quebec of a certain type of cheese will go to Britain, it means that more than 90 percent of al the cheese in Canada is going

food and the persons who prepare it for consumption, play a vital part in "what is eaten" and "what quantity is eaten."
"Without the co-operation of Canadian women in these war years, and especially rural women for nearly 60 percent of our women live on farms or in rural communities, the food program could never
