LET US BE THANKFUL! Let us give thanks that we are living to-day—even though there is a world war rag-

ing-instead of 40, 50 or 60 years ago. A few decades ago the average person had to travel miles to buy the bare necessities of life, and the travelling them was something to write home about on a rainy day. When you got to the store—such as it was—the selection was confined to the bare necessities of those days, and you couldn't compare the prices with other "shop-

business places were the hibs around which communities grew. Every Ontario community to-day ewes its existence to its merchants and business men. From the beginning created by those pioneers in the business world most of us to-day owe the chance we had to earn our daily bread. Without them any community—large or small—would wither and decay into emptines The bulk of our taxes are paid by business places. The great bulk of the flow of business—which mean money—comes from our shopping centre and helps keep us all in the comforts of modern civilization, directly

This is just ONE reason why we should be loyal to our local business Just ONE reason,

Subscription Arrears

Owing to the advance in prices of everything we have to purchase we need all moneys owing us, and would ask those in arrears for subscriptions to make settlements as soon as possible. We will accept potatoes, grain or other farm products at the market prices. The amounts as a rule are quite small but when multiplied by four or five hundred they mean much to us. If you are indebted to us in any way please give us the same square deal you would like
