Markdale Will Vote On Local Option Repeal

At the regular meeting of the illage Council on Monday evening a by-law was passed authorizing the taking of a vote to repeal the local option by-law now in force. This action was taken in response to a petition from several businesssmen and was passed without opposition or division in the Council.

There are arguments which might e used on both sides but none are more effective than the fact that those who desire drink are getting it and getting it without much trouble. The Standard will take no part in the campaign but our advertising columns are open to both sides at regular rates. We reserve the right to defend our stand personally if necessary. In the meantime Clerk Tuck will have a busy time preparing for the vote which will likely be taken at the first of the year.

The petition as presented to the Council designated that the proposed hotel would be located at the place when the members of L.O.L. former Sproule property opposite the armouries and that Mr. Ber Hamilton would be the proprietor
