On Thursday, Dec. 18, the S. S. put on a splendid program under the direction of our school teachers, Mr. Montgomery and Miss Mary Weller.

Mr. Perry, the music teacher, trained the pupils for the operetta, "The Moon Maiden", assisted by Mrs. Perry, Miss Joy Ellis and Mr. Warner Smith of Meaford who generously gave his time and painted a beautiful canvas for the stage.

Another splendid number was a "Britannia Drill", which was enjoyed by all.

Some Questions and Answers

If We Have Beer Parlours In Markdale How Many Will There Be and Who Will Run Them?

We do not know. The law is that The Liquor Control Board has full power as to the number of beverage rooms in a municipality, and who shall have authority to sell.

We will have at least two, for each authority carries provision for two—one for men, and one for ladies and their escorts.

Will Beer Parlours Increase Business In Markdale? No. Business men know that beer parlours increase credits, credits which are more difficult to collect.

But Will Beer Parlours Not Reduce Our Taxes? No, when everything is taken into account, Markdale would receive one-fifth of the profits that The Liquor Control Board would get from Markdale sales.

Will Beer Parlours Stop Bootlegging? They never have. Beer parlours only act as a cover for bootleggers, who gain new customers through the drinking habits created by beer parlours.

How Have Other Centres Voted?

Out of 89 efforts to establish beverage rooms in Ontario municipalities in recent years only 13 have succeeded.

Table with 3 columns: Location, Dry votes, Wet votes. Includes Newmarket, Parkhill, Howard Tp., Teeswater.

So far, those advocating beer parlours for Markdale have not seen fit to put their case in print.

Beer parlour interests have been known to reserve their statements until the eleventh hour, when all opportunity to reply is gone.

At least we have stated our case. The result we leave in the hands of you who have the power of voting.

Don't spoil your ballot. Do not put any mark on your ballot but an "X".

Form with 'Are you in favour of the sale of beer and wine under the provisions of The Liquor Control Act?' and 'YES'/'NO' options.

If you are opposed to the establishment of beverage rooms in Markdale, you should mark an "X" opposite the "No" as above.

The polls are open from 8 a.m. to 7 p.m. Vote as early as possible. We will appreciate any other assistance you can give us.
