The late Mr. Bunt is survived by two daughters and one son, Lillian (Mrs. M. E. Martin), Florence and Frank, all of Toronto, to whom sympathy is extended by their many friends in Flesherston.

## Main Street Has Been Cleared of Snow

The members of the Village Council are to be commended for their good work in having Main Street cleared of surplus snow. A snow plow was used for less than an hour on Monday evening in pushing the snow to the curbs. For two days men with trucks have been removing this surplus snow and now Markdale's Main Street looks like the main stem in a live town. The amount of money spent in comparison with the results is nothing.

The Snow Club has had the Meaford-Markdale road opened to Temple Hill. The job was a big one and kept a plow with several men busy for three or four days.

## Early Lambs

Andy Clark in his broadcast on Sunday last told of early lambs in one of the Counties in Southern Ontario. In Grey County early lambs often arrive in December and many come in January. Mr. Geo. Hargrave, south of the village has a ewe which gave birth to two lambs on Jan. 5th.

He was an interesting conversationalist about the early days of the township and had a keen mind for the problems of the present day. He was exceedingly active for one of his age and was busy most of the time. He was formerly a member of the Presbyterian Church and after Union of the United Church.
