### USE OFF-PEAK HOURS FOR YOUR LONG DISTANCE CALLS

## Clear telephone lines for ALL-OUT PRODUCTION

Your telephone is part of a vast interlocking system now carrying an abnormal wartime load. Don't let needless delays hold up messages on which production efficiency may depend.

### OTHER "WARTIME TELEPHONE TACTICS"

- 1 BE SURE you have the right number... consult the directory.
- 2 SPEAK distinctly, directly into the mouthpiece.
- 3 ANSWER promptly when the bell rings.
- 4 BE BRIEF. Clear your line for the next call.

These things may look trifling, but on 6,500,000 daily telephone calls, they are very important.

## HOLLAND CENTRE

The fire, which destroyed Isaac Elder's blacksmith shop and Mrs. Alex. Shute's garage on Wednesday last week was quite exciting for a time as it was thought some other buildings were going as well. Much credit is due to our women as they can't be beat in a bucket brigade. Many from Markdale, Chatsworth and Berkeley also deserve credit for their help.

We wish to extend our sympathy to Mrs. Irwin and son, Lloyd, in their sad bereavement.

Mr. and Mrs. Wilbert McInnis, son and daughter, were week-end visitors with Mr. and Mrs. Chas. Ransome.

Mrs. Jas. Dixon was moved to the Owen Sound hospital on Saturday for treatment. Many friends wish her an improvement in health and hope that she will soon be back to her home in the village.

Mr. Wm. Brawly of Toronto spent the week-end at his home here.

We are glad to report Mrs. Thos. Troughton improving after her recent illness.

Mr. and Mrs. Harry Kress of Chatsworth and Mr. J. Crowther and Mrs. Legarde of Owen Sound were recent visitors in the village.

## WODEHOUSE

Lack of moisture, the men find the land very dry for seeding operations. Nevertheless a great effort is being put forth to get the seed in the ground in expectation that perhaps a reverse will bring rain and wet conditions later. Leaves are unfolding fast these days but grass is growing very slowly. It has been unusually warm of late for April.

Those who have fall wheat report it coming through in prime condition.

The vote on Monday was the latest topic of interest and like loyal citizens of a British Dominion a vote was polled which helped to carry.

A large crowd attended the miscellaneous shower for Mr. and Mrs. Lawrence Thompson, formerly Miss Phyllis Lee of Riverdale. They have taken up residence on the Irwin farm and we extend them a hearty welcome. Phyllis has in the past attended Sunday School at New England and belonged to the young peoples various activities. We wish the young couple a happy wedded life.

Miss Elva Wiley was successful in the Easter final High School examinations and is now at home assisting at farm work.

Mrs. T. I. Fawcett is staying with her granddaughter, Mrs. Ivan Morrison. Edgar, we are pleased to know has secured a job in Toronto. He will be greatly missed in this neighborhood where he was a willing helper.

Miss Dorothy Bennett is assisting Mrs. Morrison with domestic duties. Mrs. Trudeau and babe have returned to her home in Hamilton.

Mr. George McConnell of Kimberley spent the week-end with Mr. and Mrs. Richard Fawcett.

Mr. Robert Wiley and daughter, Ella, spent last week-end with some friends in Meaford.
