He was a son of the late Mr. and Mrs. Michael Casey and was born on the 4th con. of Sullivan, next farm to where he lived. Prior to Master Leo Patton going to Holland Centre, his teacher and fellow-pupils presented him with a pen and pencil set and the following address was read:

Dear Leo,—With deep regret we learn that our circle of friendship is to be broken as one of our little playmates is leaving us soon.

Your quiet, but cheery manner and pleasing smile have made many a day seem just a little brighter. Although we feel sad when we think of what our loss will be, yet other children, with whom you come in contact, will reap the benefit of a new and valued friend.

We know that your heart is large enough to hold both old and new friendships but we are selfish enough to hope to hold just one little corner of it for our very, very own.

We would ask you to accept this little tribute of our sincere friendship and trust that it may remind you of Harkaway school-days. Sometimes they seem long in passing.

We fancy the clocks-run slow, But later we'd give our heart strings For the school-days of '43.

They will go to a wide hereafter, They are part of an unpaid debt— But for us their quiet safeguarding Is linked to a great regret.

So often, we're blind to their beauty To the grace and the charm they claim,

To the-hush on the field at morning To the light through the window-pane.

To the peace that is ours without asking,

To the joy to walk hand in hand With the ones who set apart School days

As a step to the Promised Land. Signed on behalf of the pupils and teacher of Harkaway School.

Our American cousins are rationing shoes and we believe we shall soon follow in their footsteps.

It created some excitement and a large crowd of people were present to see them take off again.

Only the RED CROSS Can Pass

With Food and Comforts for Our Prisoners of War!

BARBED WIRE and enemy guards "do not a prison make" for Canadian soldiers captured by the enemy. Their thoughts, winging across the sea, meet Red Cross parcels on their way to them. Last year, the enemy said "pass" to 2,000,000 such parcels. They were packed with 22,000,000 pounds of food and comforts welcomed by men to whom the barest necessities have become luxuries.

But, most of all, to each prisoner every Red Cross parcel is a message from home—a definite assurance that he is not forgotten, a reminder that no captured Canadian soldier is ever marked "off strength" by the Red Cross.

Thirty percent of the money you gave to the Red Cross last year was used to provide parcels for prisoners of war. The money you give now will help to keep up and increase this flow of good cheer and hope to these lonely men.

Consult your heart... Obey its dictates... Give liberally
