NATIONAL SELECTIVE SERVICE

Freedom's Fires Must Be Fed Our COAL!

CANADIANS must dig and deliver coal that we may sail convoys, power vital war plants, keep our railroads rolling, preserve the nation's health!

The coal mining industry—miners and management alike—have done wonders to provide coal, but they need help.

This Order is of vital interest to everyone in Canada. Every Canadian should read and study its provisions, to see whether it demands any action on his part:

- 1 EVERY EMPLOYER, REGARDLESS OF HIS INDUSTRY, must advise his employees of these Regulations, and he must assist in discovering whether any of his employees have had previous experience as coal mine workers.
2 EVERY EMPLOYER, REGARDLESS OF HIS INDUSTRY, who has had previous experience as a coal mine worker, must report that fact to his employer not later than Tuesday, May 25th, 1943.
3 A "COAL MINE WORKER" FOR THESE PURPOSES is anyone who, since January 1st, 1935, has worked under provincial certificate or license in or around a coal mine, or who, since the same date, has been employed for a total of at least 24 months in the production of coal (except at office work).
4 EVERY EMPLOYER, NOT A COAL MINE OPERATOR, must report in writing to a Selective Service Officer not later than Tuesday, June 1st, 1943, full details on any of his employees who are ex-coal mine workers.
5 SELECTIVE SERVICE OFFICERS ARE AUTHORIZED to require ex-coal mine workers to report for interview and to accept work at a coal mine.
6 SELECTIVE SERVICE OFFICERS MAY REQUIRE any man in employment, if subject to Mobilization Regulations but rejected for Military Training, and certain others exempted from Military Training, to accept employment at a coal mine.
7 NO COAL MINE OPERATOR may terminate the services of any coal mine worker without written permission from a Selective Service Officer.
8 NO COAL MINE WORKER may leave employment without written permission from a Selective Service Officer.
9 EVERY EX-COAL MINE WORKER, returning to the industry under these Regulations, will be paid wages at the established rate for the job at which he is placed; and the Government will pay wages of 40 cents an hour, 8 hours a day and 48 hours a week, to any ex-coal mine worker required to leave his present employment under these provisions, but not placed immediately at coal mining.
10 A BOARD ALLOWANCE of not more than \$2.50 a week may be paid an ex-coal mine worker now returning to a coal mine, if required to live away from the residence of his dependants at the residence of his dependants.
11 PRESENT AND FUTURE COAL MINE WORKERS will be granted postponement from Military Training to February 1st, 1944, by virtue of their occupation; and no coal mine worker will be accepted for voluntary enlistment in the Armed Forces of Canada, prior to February 1st, 1944, except under permit to enlist from a Selective Service Officer.
12 NO EMPLOYER IN CANADA, EXCEPT A COAL MINE OPERATOR, may select for employment or hire any ex-coal mine worker.
13 REGARDLESS OF ANY DOMINION OR PROVINCIAL LAW, male persons at least 16 years old may be employed as surface coal mine workers.
14 WAR EMERGENCY TRAINING CLASSES will be available for training men as coal mine workers.

Such is the substance of the new regulations. Full details may be had at any Employment and Selective Service Office. If these provisions require action on your part, you are urged in the national interest to act immediately. Severe penalties are provided for non-compliance, but the Government relies on the co-operation of the citizens of Canada to make prosecution unnecessary by prompt action as required. This is a grave emergency. Assist if you can.

Borrowing for War Farming

Farmers all over Canada—grain growers, stock raisers, dairymen, fruit growers, vegetable gardeners, poultrymen—all kinds of farmers—are forging production, fighting hard early and late to supply the enormous quantities of products demanded in the greatest of all wars. In this "survival war" food plays a tremendous part, and the farmer is the dependable supplier, to whom armed forces and civilians alike must look. The extra demands on farm production mean extra financing. The Bank of Montreal, ready always to cooperate with agriculture, is making special efforts at this time to help the farmer produce food for Canada and the United Nations. If you need to borrow, see our nearest branch manager, who will understand your problems.

MEAT

RATIONING EFFECTIVE THURSDAY, MAY 27th

After midnight May 26th, it is unlawful for a consumer to buy rationed meats and for anyone to sell rationed meats to a consumer except on surrender of valid ration coupons.

WHAT MEATS ARE RATIONED: Beef, Veal, Pork, Mutton and Lamb. WHAT MEATS ARE NOT RATIONED: Poultry and Fish are not rationed. 'Fancy' meats such as Heart, Tongue, Liver, Kidneys, Brains, Sweetbreads, and cooked sausages such as Wieners and Bologna are not rationed. Meat cuts containing 50% or more of bone such as spare-ribs, oxtails, and pigs' feet are not rationed. HOW MUCH RATIONED MEAT AM I PERMITTED TO BUY? An average of two pounds per week per person. You get less of meats containing no bone and more of meats containing considerable bone. See the chart of coupon values below. WHAT COUPONS DO I USE WHEN BUYING MEAT? The brown Spare "A" coupons from your No. 2 ration book—the book you are now using to buy tea, coffee, sugar, and butter.

MEAT COUPON VALUE CHART

Table with 4 columns: SMOKED MEATS, PORK CURED, COOKED MEATS, and BEEF - FRESH or CURED. Each column lists various meat cuts and their corresponding coupon values.

MEAT RATIONING AS IT AFFECTS FARMERS

Farmers may slaughter their livestock for their own consumption—but must turn to the Local Ration Board at the end of each month, 1 coupon for each two pounds of their own slaughtered meat consumed on their own premises. Farmers need in no case surrender more than half the number of each month's valid coupons for such home slaughtered meat. The remaining half of farmers' meat coupons may be used for ordinary retail purchases of meat, on the basis of coupon values as shown on the chart above.

CONSUMER MEAT IN LOCKERS

Before June 30th all consumers (including farmers) who store meat in lockers must declare in writing to the nearest Branch of the Ration Administration, the quantity of rationed meat they have in storage over and above eight pounds per person in the household of the locker holder and his household, to cover the quantity of declared stores. The number of coupons to be detached by the locker user need not exceed more than 50% of the total meat coupons in the possession of himself and his household. Locker users may retain for retail purchasing one of each similarly numbered pair of coupons.

NOTICE TO THE MEAT TRADE

Retailers of meat must collect coupons for any rationed meats sold on or after May 27th. They need not turn in coupons to their suppliers for meat purchased up until June 10th. This arrangement is made to enable them to build up stocks. A Special Food Bulletin giving complete details of meat rationing is being mailed to all food stores.
